

**Dr Anne O'Gara** was nominated to the Teaching Council by the Colleges of Education and is currently President of Marino Institute of Education (MIE). Anne is a member of the Registration Committee. Her educational interests include; Teaching and Learning, Inclusive Education, Parents in Education, Education and the Law and School Self-Evaluation and Improvement. She enjoys meeting and working with representatives of all the partners in education. Anne's aspiration for the Teaching Council is that it will develop and enhance the status of teaching as a profession within Irish society, so that the profession will continue to attract high calibre student teachers.
