Named Third Level Colleges

A Chairde,

I am delighted to issue this poster to bring you up-to-date information on the membership of the Teaching Council.

The Teaching Council was established on a statutory basis in March 2006 to promote teaching as a profession at primary and post-primary levels, to promote the professional development of teachers and to regulate standards in the profession. The Teaching Council is made up of 37 members acting in a voluntary capacity as non-executive directors of the Council. These are representative of the partners in education including 22 teachers, 16 of whom are elected by registered teachers.

The term of office of the first Council finished on 27 March 2009 and the Minister for Education and Science appointed the second Council for a further term of three years on 31 March 2009.

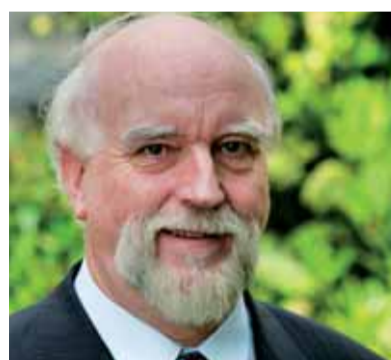

Further information on the Council and all areas of its work is available from [www.teachingcouncil.ie](http://www.teachingcouncil.ie)
