SECTION E– APPLICATION UNDER EU DIRECTIVE 2005/36/EC (as amended)

Applicants applying under the EU Directive 2005/36/EC (as amended) must provide a current certificate of qualified teacher status in another EU country. This certificate must specifically state that it is granted under the terms of EU Directive 2005/36/EC (as amended). Any applicant who is seeking recognition under the terms of the Directive must submit, with the application, a statement outlining their recognition as a teacher. 11. Fees

The fee that should be submitted with this form is €290. This fee covers the cost of qualifications assessment and the registration fees for the first year of registration. If the qualifications process is not successful, the registration fee (of €90) will be refunded. There is no additional fee for Vetting.

12. Registration Review and Appeals Processes

The Review of Decision process is the internal review mechanism that the Teaching Council offers to applicants when registration has been refused or when registration conditions have been imposed by the Primary Applications Panel or the Evidence of Character Panel.

When an applicant is informed that his/her academic qualifications and/or evidence of character for teaching do not meet the requirements for registration as a teacher, he or she is informed of this decision and is offered the option of requesting a Review of Decision by the Council's Registration Committee Review Group and also of the right of appeal to the High Court. The applicant will also be given the opportunity to include any additional evidence of qualifications and provide a written submission. In cases where registration is being refused on the grounds of evidence of character, the applicant can also request an oral hearing. A statement from the Primary Applications Panel, and/or the Evidence of Character Panel and/or from the Registration Officer indicating the grounds on which the application has been refused will be provided to the applicant.

13. Appeal to the High Court

In accordance with section 31(8) of the Teaching Council Act, 2001 where the Council makes a decision to refuse to register a person or to register the person subject to conditions, that person may apply to the High Court for annulment of the decision concerned within 21 days of the date of service of a notice of the Council's decision.
