

Collaboration Webinar

Dr King has suggested that the following readings may be useful in this area:

- King, F. (2016). Teacher professional development to support teacher professional learning: Systemic Factors from Irish case studies. [Teacher Development: An International Journal for Teacher Professional Development, 20\(4\), 574-594](#)

Available via the [EBSCO database](#):

- James, C., & Goodhew, C. (2011). An Analysis of a Subject Department in an English Secondary School Using the Collaborative Practice Analytical Framework. *Educational Management Administration & Leadership* 39(3) 317–332.
