Professional Master of Education Subject Declaration Form

IMPORTANT

This declaration form should be returned to the PME provider(s) to which you have applied or the Postgraduate Applications Centre (PAC).

(More details on the last page of this form.)

For persons applying for registration on or after 1 January 2023

Agricultural Science

This Subject Declaration Form allows you to match your degree (and other qualifications if applicable) against the Teaching Council's curricular teaching subject requirements. You must meet the requirements for at least one curricular subject in order to be considered for registration as a teacher, having completed your Professional Master of Education (PME).

A declaration form should be completed online, printed and signed by persons applying for entry to the PME.

You should complete a subject declaration form for each subject for which you are seeking Teaching Council registration.

The requirements for the curricular subject **Agricultural Science** are set out on page 2.

For details of all other curricular subjects click here

Applicants should note that declarations made on this form will be considered by the PME provider(s) when determining offers of places on the PME. Any material errors or misleading declarations made on this form may result in the withdrawal by the PME provider of (an offer of) a place or other such action as the PME provider determines appropriate.

If you are offered a place on the PME, and have granted permission, this declaration will be forwarded to the Teaching Council. The Council will advise if you meet the registration requirements.

Based on this declaration form and your transcripts of undergraduate results, the Teaching Council will confirm if you will be eligible to register as a teacher after successful completion of the PME. The Teaching Council will also confirm the curricular subject(s) that will be recorded on the Register of Teachers.

1

In order to meet the registration requirements set down in the Teaching Council [Registration] Regulations in respect of the curricular subject of Agricultural Science, an applicant must meet **all** of the following criteria:

- Applicants must hold a degree-level qualification, with Agricultural Science studied up to and including third-year level or higher (or modular equivalent).
 - (b) The qualifying degree must be equivalent to at least Level 8 on the National Framework of Qualifications (NFQ) and with a minimum pass result in all examinations pertinent to the subject of Agricultural Science.
 - (c) The qualifying degree must carry at least 180 ECTS (European Credit Transfer System) credits (or equivalent) with the specific study of Agricultural Science comprising at least 60 ECTS credits (or equivalent).

2 The study of Agricultural Science during the qualification must show that the holder has acquired sufficient knowledge, skills and understanding to teach the Agricultural Science syllabus/ specification to the highest level in post-primary education (see <u>www.curriculumonline.ie</u>).

Essential areas of Study:

- a) Crop Production Science
- b) Animal Production Science

The remaining ECTS credits may be drawn from the following areas, or their equivalences:

- c) Supporting Sciences in the disciplines of Plant and Animal biology
- d) Soil Sciences/geological sciences
- e) Environmental sciences
- f) Genetics
- g) Biochemistry/Cell Biology/Molecular Biology
- h) Microbiology
- i) Ecology
- j) Other relevant areas of study such as sustainability, biodiversity, organic agriculture, climatology, and climate change)

3 Laboratory/practical work must be completed in the course of the degree.

Title of qualification	Awarding Body	Year of Award

If you are in the final year of your degree or completing further studies to enable you to meet the Teaching Council's registration requirements for a curricular subject, you can record details of these ongoing studies, including module title(s) and ECTS credit weighting(s) in the grid below, provided all relevant studies are successfully completed prior to taking up a place on the PME.

	Please answer questions 1-6 below and insert module code(s), module title(s) and ECTS credit values as required.			
1	Is your degree equivalent to a least a Level 8 on the Irish National Framework of Qualifications (NFQ)?			◯ No
2	Do	es your degree carry a minimum of 180 ECTS credits (or equivalent)?	Yes	○ No
3		your studies in Agricultural Science carry a minimum of 60 ECTS credits equivalent)?	Yes	◯ No
4	Do	your studies in Agricultural Science include the study of the following essential areas:		
	a)	Crop Production Science	Yes	◯ No
	b)	Animal Production Science	Yes	○ No
5	The	e remaining ECTS are drawn from the following areas, or their equivalences:		
	c)	Supporting Sciences in the disciplines of Plant and Animal biology	Yes	◯ No
	d)	Soil Sciences/geological sciences	Yes	◯ No
	e)	Environmental sciences	Yes	No
	f)	Genetics	Yes	No
	g)	Biochemistry/Cell Biology/Molecular Biology	Yes	No
	h)	Microbiology	Yes	No
	i)	Ecology	Yes	No
	j)	Other relevant areas of study such as sustainability, biodiversity, organic agriculture, climatology, and climate change	Yes	○ No
6	Do	your studies include laboratory/practical work?	Yes	No

In relation to questions 3, 4, 5 and 6 above, please list below the code(s), title(s) and ECTS credit values for each module studied.
