Foreword

*Lily Cronin,
Chairperson*

This annual report covers the work of the Teaching Council for the year to 27 March 2011. On reflection it was a 12 month period where the Teaching Council consolidated the progress it had made regarding registration and teacher education and prepared for the significant extension of its statutory remit that is expected to happen in the short to medium term.

The recent decision to extend the duration of degree and post-graduate programmes of teacher education is very welcome. This development presents considerable opportunities for the review and development of programmes so that new entrants to the teaching profession are well prepared for the challenges of the 21st century classroom.

In December 2010, the Teaching Council established an advisory group to develop criteria and guidelines for Higher Education Institutions (HEIs) offering programmes of initial teacher education. The advisory group made its submission to the Council in June 2011 and the criteria and guidelines were subsequently disseminated to all HEIs. Many programme providers are already engaged in discussions on the reconceptualisation of programmes and the criteria and guidelines will assist that process.

Central to the ethos of the Teaching Council is the recognition that teacher education is a lifelong process. The Policy on the Continuum of Teacher Education, which was adopted by the Council in June 2011, is based on the principles of innovation, integration and improvement and will prove to be an important foundation document when the Council's statutory powers in relation to induction, probation and continuing professional development are commenced.

The Teaching Council's commitment to teacher education is also evident through its support for research. During the reporting period, three significant research projects were commissioned. In addition, the Teaching Council awarded 36 bursaries to teachers and researchers carrying out work in the area of teaching, learning and assessment. These bursaries were named in honour of our late colleague Kieran O'Driscoll, a retired post-primary teacher and a member of the Teaching Council. Kieran served on the Teaching Council from his appointment in 2005 and his dedication, energy and commitment to the profession were evident in his contribution to the work of the Council.

Since its establishment, the Teaching Council's work has been informed by a drive for excellence, a commitment to transparency and an appreciation of the immense contribution that teaching makes to the social and economic well-being of our country. We have carried out our work in consultation with the partners in education with whom we have developed an excellent working relationship. I believe our contribution has been significant and we welcome the opportunities and challenges that lie ahead.

In that regard, the coming years will see a significant extension of the Teaching Council's statutory remit, most notably with the commencement of Section 30 and the subsequent commencement of investigative and disciplinary functions under Part 5 of the Act, and its statutory role in relation to the induction and probation of new teachers.

I would like to express my sincere appreciation to my fellow Council members for their commitment and energy throughout the year. Their unfailing dedication to serving the best interests of education is an inspiration. Likewise I wish to acknowledge the contribution of the staff of the Teaching Council who, under the leadership of Áine Lawlor, support the work of the Council with diligence and professionalism.

Finally, on behalf of the Council, I would like to pay tribute to Áine Lawlor on her retirement. I wish her a very happy and fulfilling retirement and thank her for her support during her term of office. Áine's contribution to education has been visionary and will have a lasting benefit for the teaching profession and, ultimately, the learners of this country.

Director's Report

*Aine Lawlor,
CEO/Director*

This will be the last report that I write as Director of the Teaching Council as I will retire today, 30 November 2011, having spent seven years in this post. For that reason, I am availing of this opportunity to share some reflections on the development of the Teaching Council to date, together with my observations on the role of the Council in promoting teaching as a profession.

The first Council assembled in 2005 and was established on a statutory basis in 2006. It drew together 37 members from the teaching profession, teacher unions, colleges and universities, management and parent bodies and Ministerial nominees. Of the 37 members, 22 were teachers as provided for in the Teaching Council Act, 2001. The hallmark of the work of Council members was, and continues to be, their dedication to high quality teaching for the young people in our schools and, to this end, their focus is on the implementation of the Act.

The Teaching Council is the regulatory body for teaching. Since the majority of members are teachers, teachers are being entrusted with the promotion of teaching through the Council functions. The words "promoting teaching as a profession", taken from the Act, are sometimes misunderstood and taken to mean "standing up for teachers". For the Council, promoting teaching as a profession means doing everything within its statutory remit to develop and maintain standards in relation to all aspects of the professionalisation of teaching: establishing a Register of Teachers and giving teachers a licence to teach through registration based on qualifications; establishing and maintaining a code of professional conduct for teachers; reviewing and accrediting programmes of initial teacher education to ensure that graduates are suitably prepared for entry to the profession; establishing procedures for induction into the profession; developing a framework for the continuing professional development of teachers and holding inquiries into a teacher's fitness to teach, as appropriate.

I am pleased to report that the Council has achieved much in relation to the areas mentioned above. The first Register of Teachers in the State has been established and the Council has developed a comprehensive set of regulations governing entry to that Register. *The Teaching Council [Registration] Regulations* were published in 2009 and, for the first time, they bring uniformity to the requirements for entry to the profession in the State. For example, they require that, from April 2013, all teachers wishing to be registered must have a recognised teacher education qualification. Heretofore, this has not been a requirement in all sectors.

Currently, more than 73,000 teachers are registered and approximately 7,500 teachers apply for registration each year. The qualifications of all applicants for registration are assessed against the standards set out in the regulations. The Council also co-ordinates the vetting of all applicants for registration and, to date, has arranged the vetting of more than 35,000 teachers. I believe that protecting standards of entry to the teaching profession is one of the most important functions of the Teaching Council and its achievements in this area represent

a significant milestone in the development of teaching as a profession.

The *Codes of Professional Conduct for Teachers*, published by the Council in 2007, set out the standards of professional conduct and practice which are expected of all registered teachers. This brings teaching into line with other professions in Ireland and with the teaching profession in other countries. At the time of writing, a consultation process on a revised Code is about to begin and I would encourage teachers and all with an interest in teaching as a profession to actively engage in the process.

The Council's recently-published *Policy on the Continuum of Teacher Education* is a significant document which sets out the Council's vision for teacher education, including initial teacher education, induction and continuing professional development. As such, it will provide the framework for the Council's work in each of these areas. It will also provide clear direction for programme providers and shape student, newly qualified and experienced teachers' engagement with teacher education throughout the teaching career. A further Council document, *Initial Teacher Education: Criteria and Guidelines for Programme Providers*, sets out the criteria which must be observed by Higher Education Institutions wishing to have their teacher education programmes accredited by the Council. Programmes will be greatly enhanced by the extension to their duration announced earlier this year. This will allow for an extended school placement period and for the development of vital skills and competences in areas such as reflection, research and portfolio development.

Currently, there are 44 programmes of initial teacher education in Ireland, delivered by 22 Higher Education Institutions. For the first time, there is a system in place for the professional accreditation of programmes to ensure their suitability for teaching. Eight programme reviews were carried out in the period 2009-2011 and, as a result of recommendations in the review reports, significant changes to programmes have already been made and other improvements are in train or planned.

The Teaching Council's role in relation to induction and probation is scheduled to be commenced by the Minister in September 2012. The Council is currently drafting new procedures and criteria for the career entry phase and it is hoped that these will go out for consultation early in 2012. The career entry phase builds on the foundation set down in initial teacher education and continues the teacher's journey of lifelong learning on the continuum of teacher education. I believe that the transition from being a student teacher to that of an independent, solo practitioner should be a very positive experience, at a personal and professional level, and I am particularly pleased to have participated in the drafting of the career entry process to date. I will continue to follow developments in this area with interest.

The Council's functions in the area of continuing professional development have yet to be commenced by the Minister. Much important work has already been done, however, not least in the development of a comprehensive definition of what is meant by CPD and its designation as both a right and a responsibility for all teachers. Over the coming years, the Council will develop a national framework for CPD which will bring greater coherence to this important dimension of the teacher's professional life.

The Council is awaiting the commencement of its statutory investigative and disciplinary functions and much work has been done in preparing for this role. One of the hallmarks of a profession is that its professional body deals with complaints against registered professionals. In that context, the exercising of the Council's investigative and disciplinary function will mark an important step forward for the teaching profession.

Research shows that the quality of an education system cannot exceed the quality of its teachers. For that reason, it is essential that teaching remains an attractive career option for those who can meet the rigorous demands of teacher education, at all stages on the continuum, and engage in the complexity of teaching with understanding, dedication, commitment, passion, competence and confidence. It is very reassuring that, in Ireland, we continue to attract high-calibre entrants to the profession. However, it is a cause of concern that the current over-supply of teachers, resulting in a lack of employment opportunities, may diminish the attractiveness of teaching as a profession and may prove damaging to the career of teaching itself. The Council has a role in advising the Minister in relation to teacher supply and, in that context, it is hoped that this matter will be addressed in the foreseeable future.

Looking back over the 42 years I have spent in education in Ireland, as a teacher and in related roles, I have seen much to be proud of in the development of teaching as a profession. One example that comes to mind is the changing nature of the school evaluation model, from one which tended to be a "top-down" inspection-driven model, to one with an increasing focus on schools' own capacity for self-evaluation. This shift in focus is to be welcomed, as it signifies an increased level of trust in the teaching profession and is consistent with the self-regulatory ethos of the Teaching Council.

In promoting teaching as a profession, the Council has ascertained, through its research, the high regard for teachers among the Irish public. The results of a survey conducted on behalf of the Council in 2009 showed that the majority of respondents had a high level of trust in teachers and were satisfied with the way they do their jobs. There was also a strong endorsement of the valuable role they play in our society and a good level of understanding of the complexity of the role and the skill level required.

More than a decade ago, the role envisaged for the Teaching Council was to 'play a central role in ensuring the high standards of teachers, and education, will be sustained and strengthened.' I believe that during its initial phase of development, The Council has gone a long way towards achieving that goal. It has a vision for the road yet to be travelled and, through its pioneering work in the past six years, has provided a clear roadmap for the journey.

In the latest phase of my career, I was privileged to have been appointed Director of the Teaching Council in 2004 as it allowed me to remain at the heart of teaching. I have found it to be a wonderful experience and I owe a debt of gratitude to many. It has been rewarding and enriching to work with the partners in education, personnel from the Department of Education and Skills, teacher educators and representatives from other sectors, both in the field of education and beyond. I would like to thank in particular the CEOs and staff of the neighbouring Teaching Councils, and of other professional bodies in Ireland, for sharing so generously of their knowledge and expertise in the field of professional regulation and for their support and friendship over the years.

Within the Teaching Council itself, I have also enjoyed wonderful support and collegiality and I wish to pay tribute to the former Chairpersons, Joan Ward and Pat McQuaile and the current Chairperson, Lily Cronin, together with colleagues on the Council, past and present, for the spirit of co-operation and collaboration they have always brought to the Council's work.

The late Kieran O'Driscoll, a former Council member who sadly passed away in 2010, was particularly supportive and was a dear friend to me during his time on the Council.

The Council is supported by a strong and cohesive management team and high calibre personnel who are deeply committed to supporting the functions of the Council. I would like to acknowledge their outstanding contribution and support and I will dearly miss their collegiality.

Thanks, finally, to the teachers of Ireland, particularly the Teaching Council Contact Persons, who have engaged with and supported the Council since its establishment.

There is still much work to be done and there are many challenges ahead. I will continue to maintain an active interest in the work of the Council and look forward, with anticipation, to its continued work towards the benefit of teaching as a profession.

Guím gach rath ar an obair agus gach beannacht oraibh go léir.

1. Regulating the Profession

Under the Teaching Council Act, 2001, the Council's key areas of responsibility in relation to the registration and regulation of the teaching profession are:

- Maintaining the Register of Teachers;
- Promoting the Codes of Professional Conduct for Teachers;
- Conducting inquiries into the fitness to teach of a registered teacher.

1.1. Maintaining the Register of Teachers

1.1.1. Registration Statistics

Registration is a mark of professional competence as a teacher and ensures that standards of entry into the profession are maintained. The total number of teachers registered at the beginning of the reporting year was 68,313 (Table 1).

During the reporting year 6,886 teachers were admitted to the Register (Table 2). 3,426 of these were new graduates (Table 1).

During the reporting year 3,376 individuals failed to renew their registration and were removed from the Register (Table 1). In addition, 1,312 teachers, the majority of whom were retiring, requested that they be removed from the Register.

The total number of teachers registered with the Teaching Council at the end of the reporting year was 70,510 (Table 1). This represents an increase of 3% on the previous reporting year and is the highest number of teachers ever registered with the Teaching Council. The total number of new registrants in the reporting year also increased by 12% compared to the previous reporting period (Table 1).

1.1.2. Registration Regulations

The Teaching Council [Registration] Regulations, 2009, bring greater uniformity to the requirements for entry to the teaching profession at primary, post-primary and further education levels. The regulations replace a series of Department of Education and Skills Circular letters and guidelines adopted by the Council.

Among the provisions in the Regulations is a requirement that, from April 2013, all new teachers in the VEC and further education sectors will be required to have an approved teacher education qualification.

The Regulations are comprised of five separate regulations. Regulation One sets out the categories of information which will be held by the Council in respect of each registered teacher and the provisions for making the Register available for public inspection. It also prescribes the evidence of good character requirements for admission to the Register of Teachers. As well as undergoing Garda vetting, applicants wishing to be registered as teachers in Ireland are required to declare any criminal convictions recorded against them or any disciplinary findings issued by an employer, regulatory body or professional body in Ireland or abroad.

Regulations Two, Four and Five prescribe the standards of entry to the primary, post-primary and further education sectors respectively, while Regulation Three sets out the entry requirements for recognised Montessori teachers and teachers with appropriate specialist qualifications such as those required for teaching learners who have special educational needs.

The Teaching Council [Registration] Regulations, 2009 are available to download from www.teachingcouncil.ie

1.1.3. Entry to the Register

All applicants for registration must ensure they meet the registration requirements of Regulation One of the Teaching Council [Registration] Regulations, 2009 together with those set out in the regulation relevant to their education sector, e.g., Regulation Two for primary teaching; Regulation Four for post-primary teaching. Each application for registration is assessed on an individual basis.

New registrants come from the following three categories:

- Newly qualified graduates from an Irish Higher Education Institution**

The qualifications of graduates from recognised programmes of initial teacher education provided by Higher Education Institutions (HEIs) in Ireland are automatically recognised for registration purposes.

The Council has further developed its registration process for Newly Qualified Teachers (NQTs) and, during the reporting year, it made 23 visits to providers of accredited teacher education programmes in order to present to their final year students. The visits are designed to brief students on the role of the Council and on the importance of registration in their professional lives as teachers. During these visits, students are requested to begin the Evidence of Character process involving Garda vetting and character references.

They are also requested to give permission to their HEI to transfer their final examination results directly to the Teaching Council. This facilitates the registration of teachers in time for the beginning of the school year.

The number of NQTs who applied for registration in the reporting year was 3,426, representing a 9.3% increase over the previous reporting year (see Table 1).

- **Teachers who graduated from an Irish Higher Education Institution prior to the current year**

Applicants who have been awarded qualifications in Ireland, who are not new graduates, and who wish to begin, or return to, teaching after a prolonged period of absence (e.g. career breaks), may apply to the Teaching Council for registration.

- **Teachers who graduated from institutions outside of Ireland**

During the reporting year, the Teaching Council continued to process applications for registration from teachers qualified outside the State. All such applications are assessed on an individual basis and with reference to the Teaching Council [Registration] Regulations, 2009. Registration may be granted subject to conditions, which must be addressed within a specific timeframe.

In accordance with EU Directive 2005/36/EC regarding the mutual recognition of qualifications, the Teaching Council is the designated authority in Ireland for assessing applications for registration from persons recognised as teachers in other EU/EEA countries. The Council is also the competent authority for the recognition of qualifications obtained in non EU/EEA countries.

1.1.4. Certificates of Registration

Certificates of registration are issued to fully registered teachers in accordance with Section 21 of the Teaching Council Act, 2001. Teachers who are conditionally registered with the Teaching Council receive a certificate after the registration conditions have been satisfied. The certificate is a valuable document and is issued on a once-off basis. In parallel with this, on renewal, registered teachers receive an annual registration card which is proof of registration with the Teaching Council. A list of Frequently Asked Questions about certificates of registration is available on www.teachingcouncil.ie

In the reporting year 3,351 certificates of registration were issued to teachers who had met the requirements for full registration.

1.1.5. Evidence of Character

All applicants wishing to register as teachers must comply with the Council's Evidence of Character requirements. In order to do this, they must:

1. Provide a character reference from an appropriately qualified person, and
2. Undergo a process of Garda vetting and, in the case of applicants with significant periods of residence abroad, supply overseas police clearance.

In parallel with its role in seeking Evidence of Character as part of the registration process, the Council also coordinates the Garda vetting arrangements for new teachers entering the Register and for teachers being appointed to teaching positions where they have not been vetted in the same or previous calendar year.

Details of recruitment procedures, including the requirements for Garda vetting, are laid out in the Department of Education and Skills Circular 0063/2010, which came into effect on 1st January 2011. This circular replaces Circular 0094/2006.

• Working Group

In December 2008, the Council convened a meeting of interested parties with a view to developing a process for the Garda vetting of registered teachers who were in service prior to the Council's establishment in 2006 and who have not been the subject of Garda vetting. A working group was established which has made substantial progress towards putting in place a vetting procedure for all teachers. The working group has written to the Minister for Education and Skills outlining the progress to date and seeking the Minister's assistance in relation to resolving legislative and resource matters which have been identified.

With a view to simplifying the Garda vetting application process, an online option is being developed by the Council and it is hoped it will be in operation in 2012. In the interim, the Garda vetting application form has been modified in conjunction with the Garda Central Vetting Unit to make it more user-friendly.

• Statistics for Reporting Year

In the reporting year, 9,164 applicants completed the Evidence of Character process.

In the case of 199 applicants, disclosures relating to convictions and prosecutions received from the Garda Central Vetting Unit were referred to the Council's Evidence of Character Panel for consideration. Using Council approved guidelines, the Panel decides on the relevance of such a conviction to the teacher's suitability for registration. In addition, a small number of disciplinary findings by a teaching council or similar professional body in other jurisdictions was considered by the Panel. No teacher was refused admission to the Register during the reporting year on the grounds of Evidence of Character.

The guidelines used by the Evidence of Character Panel in its consideration of convictions and prosecutions pending are published on www.teachingcouncil.ie

1.1.6. Registration Renewal

Registered teachers must renew their registration each year. For approximately 67% of teachers, the renewal date is 28 March. In advance of that date, 47,379 teachers were invited to renew their registration for the period to 28 March 2012.

To complement the postal mailing, renewal notices were sent by email to all those teachers on the Register who had supplied an email address. Information about registration and its renewal was included in Oide, the Council's newsletter, on the Council's website and in stakeholder publications. The Council also set up a dedicated phone line to assist with queries about registration renewals.

The same registration renewal process applies to the remaining 33% of teachers whose registration renewal date falls elsewhere in the calendar year.

During the reporting year, more than 45% of teachers availed of the opportunity to renew their registration online via the Registered Teacher Access facility. This is a cost-effective method which significantly reduces the volume of hard copy documentation being processed by the Teaching Council with resulting administrative efficiencies.

1.1.7. Registration Renewal Fee

The registration renewal fee of €90, which was approved by the Minister for Education and Skills in 2007, was reviewed by the Council during the reporting year and a decision was taken not to increase the fee at this time. The fee underpins the Council's status as a self-financing regulatory body. The fee can be claimed against tax and is added to a teacher's existing flat rate expense allowance. This means that the fee in real terms is closer to €53 per annum for those paying the higher rate of tax.

The fee is based on projected expenditure levels and it has been set to ensure the Council has the necessary resources to carry out its statutory functions. Due to the delay in the commencement of certain functions of the Council and the subsequent deferral of associated expenditure, the Council has accumulated a surplus. As the Council takes on more functions, the costs of fulfilling the Council's statutory remit will increase substantially. The current surplus will be used to meet these additional operating costs while maintaining the fee at its current level.

1.1.8. Accessing Information on the Register

Information on the Register is available to three key constituent groups – the public, teachers and the payroll authorities (i.e., the Department of Education and Skills and the 33 VECs). The Teaching Council [Registration] Regulations, 2009 set out the framework used to facilitate access to the Register.

A member of the public may use the 'Search the Register' facility on www.teachingcouncil.ie to ascertain if an individual is registered with the Teaching Council. This facility was used, on average, 452 times each week during the reporting year.

The Registered Teacher Access facility allows teachers to view all the information related to them on the Register and to request an update to their personal or employment details. During the reporting year, 6,730 updates and amendments were made to the Register following online requests from teachers.

1.2. Maintaining Standards of Professional Conduct and Practice

Teaching is characterised by high professional standards and the Teaching Council plays an important role in ensuring that these standards are upheld. It fulfils this role by publishing and promoting the Codes of Professional Conduct for Teachers which set out the standards of professional practice and conduct appropriate to the profession. When the relevant section of the Teaching Council Act is commenced, the Teaching Council will investigate complaints made against registered teachers and apply sanctions where deemed appropriate.

1.2.1. Codes of Professional Conduct for Teachers

The Codes of Professional Conduct for Teachers were published in 2007. The Codes are set out in three parts. The first part outlines the core values which underpin the profession and which span all aspects of teachers' work. The second part sets out the standards of professional practice which are expected of the profession. The third section deals with professional conduct. Taking all three sections together, the Codes illustrate the complexity of teaching as undertaken in collaboration with colleagues, students, parents, related bodies and agencies and the wider community.

During the year, the Council finalised a review of the Codes, following a process which was initiated in 2009. A revised Code was subsequently published for consultation in autumn 2011.

1.2.2. Investigating Complaints

One of the key functions of the Teaching Council will be to investigate complaints relating to the fitness to teach of registered teachers. If a complaint is made about a registered teacher, the Council will have the authority to investigate the complaint and decide if it must deal with it through its disciplinary procedures. If appropriate the Council can impose sanctions ranging from the imposition of conditions to a teacher's registration, to his or her suspension or removal from the Register of Teachers. The latter would effectively remove a teacher's licence to teach. This is similar to the role of other professional bodies in regulating standards.

The Council's investigation and disciplinary functions, as outlined above, have yet to be commenced by the Minister for Education and Skills. The Council understands that the Minister plans to introduce these functions following the commencement of Section 30 of the Teaching Council Act, 2001. In advance of that, the Council has been active in preparing for its role in this area.

During the year, members of the Investigating and Disciplinary Committees attended a range of Fitness to Practise hearings held by other professional bodies. The Committees have further updated the draft Rules of Procedure for Disciplinary Panels and other procedural documentation has also been prepared. The drafting of guidance material for members of the public and for registered teachers, which will be published once the relevant provisions have been enacted, is ongoing.

2. Maintaining and Developing Teaching Standards and Competences and the Quality of Teaching and Learning in the State

Excellence in teaching is a core value guiding the Council in its work and is promoted through the Codes of Professional Conduct for Teachers and the Council's role in teacher education.

2.1. Teacher Education

The Teaching Council Act, 2001, confers on the Council significant powers to shape and develop teacher education at all stages of a teacher's career.

In December 2010, the Council published for consultation its draft Policy on the Continuum of Teacher Education, setting out its vision for teacher education at all stages of the teaching career, from initial teacher education to induction and continuing professional development. There was a high level of engagement and more than 200 submissions were received in response to the draft. At the end of the reporting year, the Council was considering all feedback received. The final policy paper was subsequently published in June 2011 and is available from www.teachingcouncil.ie

2.1.1. Initial Teacher Education

2.1.1.1. Standards of Entry

The Teaching Council has a statutory role in relation to the review of the standards required for entry to the teaching profession.

The Teaching Council [Registration] Regulations, 2009 set out the entry requirements for teachers wishing to be registered. The Regulations bring greater uniformity to the requirements for entry to the teaching profession at primary, post-primary and further education levels.

2.1.1.2. Entry to the Further Education Sector

The Teaching Council [Registration] Regulations, 2009 require that, from 1 April 2013, applicants wishing to be registered under Regulation 5 (Further Education) must have an approved teacher education qualification. With a view to developing the requirements for such teacher education programmes, a process of consultation commenced in July 2008 and culminated in the publication in March 2011 of *Further Education: General and Programme Requirements for the Accreditation of Teacher Education Qualifications*.

This document sets out the requirements to be met by programme providers seeking to have programmes accredited by the Council. In summary, programmes must be at Level 8 on the National Framework of Qualifications, having a minimum of 60 ECTS credits. Minimum requirements are set out in the areas of core values, principles and aims, structure and content, theoretical foundations, professional studies and practical teaching programme.

Specified learning outcomes in the areas of communications and relationships, teaching learning and assessment, subject knowledge and curriculum and group management and organisation are also prescribed.

The Council expects to begin reviewing and accrediting new qualifications for the further education sector in late 2011.

2.1.1.3. Review and Accreditation

The review and accreditation of programmes of initial teacher education provides an opportunity for Higher Education Institutions to demonstrate that their programmes are appropriate for preparing students for entry to the teaching profession, i.e., that they are designed and delivered so as to allow students develop the standards of teaching, knowledge, skill and competence and the attitudes and professional dispositions which are central to the practice of teaching.

Review Panel for St. Patrick's College Drumcondra, along with college staff.

During the reporting year, four reviews of programmes were completed and the associated Review Panel reports were published on the Council's website. The four programmes were:

- The Postgraduate Diploma in Education, University College, Dublin;
- The Graduate Diploma in Education, St. Patrick's College, Drumcondra;
- The Bachelor of Science (Education) in Physics and Chemistry, University of Limerick;
- The Bachelor of Education, Mary Immaculate College, Limerick.

A further four reviews commenced in 2010 and were ongoing at the end of the reporting year. They related to:

- The Postgraduate Diploma in Education, National University of Ireland, Maynooth;
- The Higher Diploma in Art for Art and Design Teachers, Limerick Institute of Technology;
- The Bachelor of Education, Religion and Music, Mater Dei Institute, Dublin;
- The Higher Diploma in Education (Primary), Marino Institute of Education, Dublin.

Also during the reporting year, the then Minister for Education and Skills, Mary Coughlan, TD, announced her intention to extend the duration of all three year Bachelor of Education programmes to four years, and all Post-Graduate Diplomas in Education and Graduate Diplomas to two years. This will present considerable opportunities for the reconceptualisation of programmes. In that context, the Council established an advisory group in December 2010 to develop criteria and guidelines for providers offering programmes of initial teacher education. The advisory group made its submission to the Council in June 2011 and the criteria and guidelines were subsequently disseminated to all HEIs. These criteria and guidelines will assist HEIs in reconceptualising their programmes to ensure that they meet the Council's requirements for professional accreditation. In line with its remit to advise the Minister for Education and Skills on entry criteria, the document includes suggestions for change in the entry requirements for primary teacher education programmes. A process of consultation on these proposals commenced in Autumn 2011.

2.1.1.4. Accreditation of New Programmes

During the reporting year, the Council received one application from a HEI for the accreditation of a new programme of initial teacher education.

A further 19 applications for recognition were received from degree programmes seeking approval for teaching subjects at post-primary level.

2.1.2. Induction, Probation and Continuing Professional Development

The Council's statutory powers in relation to induction, probation and continuing professional development have yet to be commenced. During the reporting year, the then Minister for Education and Skills, Mary Coughlan, TD, confirmed that the Council's functions in relation to the induction and probation of all new teachers will come into operation in September 2012. No date has yet been set for the commencement of the Council's role in accrediting programmes of continuing professional development (CPD).

2.2. Research

The Teaching Council Act, 2001, states that the Council will conduct or commission research on matters relevant to the functions of the Council. The Council's Research Policy provides the framework within which it implements its research function.

2.2.1. Research Bursaries

To date, the Council has run four schemes of research bursaries for teachers and others carrying out research in the area of teaching, learning and assessment. A total of 86 teachers have been funded under these schemes, with the remainder awarded to 22 others conducting research related to teaching, learning and assessment.

In the reporting year, the Council awarded 36 research bursaries, totalling €123,000. This tranche of bursaries, the fourth awarded by the Council, was named in honour of Kieran O'Driscoll, a dedicated and

inspiring teacher who served with distinction on the Teaching Council and sadly passed away in March 2010.

The Council is confident that the research being carried out will have the potential to enhance the quality of teaching and learning in Ireland and, during the reporting year, it began publishing summaries of completed research on www.teachingcouncil.ie. It is envisaged that, over time, the Council's research page will become a valuable research repository for practising teachers and all with an interest in teaching, learning and assessment.

2.2.2. Commissioned Research

In June 2010 a team of four post-doctoral teachers, under the guidance of Professor Mark Morgan from St. Patrick's College, Drumcondra, was funded to carry out research entitled *Practice-based Research Encompassing Professional Development*.

The research, which is school-based, is grounded in teacher self-evaluation whereby teachers acknowledge the core values informing their practice and test how these values are lived out daily in their professional practice within their classroom work. The research commenced during the reporting year in four different locations.

In July 2010, the Council engaged the ESRI to compile a report on its behalf in relation to:

- Continuing Professional Development among Primary Teachers
- Determinants of Job Satisfaction and Job Stress among Primary Teachers

At the end of the reporting year, both of the ESRI reports were being finalised for publication. They were subsequently published on www.teachingcouncil.ie in June 2011.

3. Promoting Teaching as a Profession

Promoting teaching as a profession is at the heart of the Council's work. To progress this goal, the Council focused on a number of strategies.

3.1. Media Relations

Teachers should be celebrated for their help through crises

Research bursaries for Kilkenny teachers

LYIT degree gets extra recognition

Cork teachers scoop prestigious bursary awards

Higher maths proposal for teacher training courses

Bursaries for Limerick-based researchers

Teacher Barry bursting with pride

As part of its role in promoting teaching as a profession, the Teaching Council seeks appropriate opportunities in the media to enhance the standing of teaching as a profession and to raise awareness of the work of the Council.

During the reporting year, 21 press releases were issued, four of which were general press releases. The remainder were localised to meet the needs of the regional media. Articles were written for a variety of publications including the national press, online publications and the magazines of the representative bodies in education.

3.2. World Teachers' Day

October 5th is World Teachers' Day, a worldwide event to celebrate teachers and the central role they play in nurturing and guiding students through the life-long learning process.

In 2010, the theme of World Teachers' Day was 'Recovery Begins With Teachers'. The day provided an opportunity to show support for teachers who have been directly or indirectly affected by a major crisis.

To mark and promote World Teachers' Day in 2010, the Irish Independent published an article from the Teaching Council.

3.3. Exhibitions

During the reporting year, staff attended a number of career exhibitions and the three teacher union conferences. Career exhibitions provide a valuable opportunity to meet and advise those considering teaching as a career and to promote teaching as a profession. However, due to limited staff resources, some invitations to attend career exhibitions were regretfully declined.

4. Developing and Maintaining an Efficient and Effective Organisation to Support the Work of the Council

The Council is mindful of the need to run an effective and cost-efficient organisation and it continually monitors and develops its processes and systems to ensure they remain effective and in line with best practice in corporate governance.

4.1. Fás agus Forbairt, Strategic Plan 2008-2011

The Council's work has been undertaken in line with the functions prescribed in the Teaching Council Act, 2001. In compliance with the requirement for strategic planning outlined in the Code of Practice for the Governance of State Bodies, the Council's first strategic plan, Fás agus Forbairt 2008-2011, guides the Council as it continues to progress the implementation of the Act.

The process of preparing a new strategic plan for the period beginning 2012 was commenced during the reporting year.

4.2. Code of Practice

In 2009, the Council adopted a Code of Practice for Council members, the Chairperson, Director/CEO and Secretary. The purpose of this document is:

- to set out a code of corporate governance for the Teaching Council;
- to serve as a guide to the members of the Council, the Chairperson, the Director/CEO and the Secretary of the Council by setting out their respective functions;
- to establish clearly their respective authority and responsibilities, and
- to delegate certain functions from the Council to the Director/CEO.

During the reporting year, the Council reviewed the Code of Practice to ensure that it complies with the Department of Finance's updated Code of Practice for Statutory Bodies.

The Code of Practice is available to download from www.teachingcouncil.ie

4.3. Committee Structure

In order to facilitate its work, the Council has established a number of committees, working groups and panels. Details of the functions and membership of each of these are set out in Appendix 3. A schedule of meetings held during the reporting year is included in Table 4.

4.4. Corporate Governance

The Council is cognisant of the importance of good corporate governance and has been actively implementing the Department of Finance guidelines on corporate governance for State bodies. Through its Audit Committee, the Council has established a regime of internal financial controls and published its annual report and audited financial accounts. It has also developed a risk assessment and management process, codes of business conduct for both Council members and staff, and a Council code of practice, as outlined in 4.2 above. Procedures with regard to the disclosure of interests and compliance with the requirements of the Ethics in Public Office Acts also form part of the Council's corporate governance arrangements.

During the reporting year, an external assessment of the Council's corporate governance arrangements was undertaken. Recommended changes are being implemented currently.

4.5. Resource Management

4.5.1. Human Resources

The sanctioned staffing level on 27 March 2011 remained at 28.5 posts. During the reporting year, temporary staff were engaged during periods of high-volume activity such as registration renewals and the summer period of graduate registration.

The Council received clarification that the current public sector moratorium applies to Council staff despite its self-funding status. The Council has brought its concerns to the Department of Education and Skills, regarding the impact of the moratorium on Council work. The Council submitted a revised staffing structure to the Department taking account of the additional functions the Minister is expected to commence in 2012.

The Staff Partnership Committee consulted on a number of issues related to improved customer service.

The Council's management structure is included in Appendix 1.

4.5.2. Finance

Much of the work of the Council's Finance section relates to the management of the registration renewal process. March each year is a peak month for registration renewal. During this period in 2011, 47,379 registered teachers (approximately 67% of teachers on the Register) were invited to renew their registration for a further year, as required by the Teaching Council Act, 2001. In order to manage the registration fees being received and to increase efficiencies, refinements were made to the Council's financial processes and procedures including the online renewal system. In the reporting year, more than 45% of teachers renewed online.

The Council's expenditure for the 2010 financial year was €3.89m. The main items of expenditure included staff costs, rent of premises, postage, publications and IT costs. Income for the period was €7.14m, consisting mainly of registration and qualification assessment fees. The surplus has arisen due to the delay in the commencement of certain sections of the Teaching Council Act, 2001 and the subsequent deferral of associated expenditure. As the Council takes on more functions, the costs of fulfilling the Council's statutory remit will increase substantially. The current surplus will be used to meet these additional operating costs while maintaining the fee at its current level. In addition, part of the surplus income has been retained to defray potential future legal liabilities.

The Council's Audited Financial Accounts for 2010 are included in Appendix 5.

4.5.3. ICT

During the reporting year, the Council upgraded several of its IT systems to improve reliability and efficiency. The database system on which the Register of Teachers is housed was upgraded and a number of older desktop computers were replaced. The Council introduced a call recording system for training purposes and to ensure that all teachers receive the highest quality service over the phone.

4.5.4. Registration Business Process Review

The Teaching Council commissioned a business process review of all aspects of the Council's teacher registration process. The review report recommended a wide range of changes to the Council's systems and processes which the Council's management team is currently pursuing, in accordance with a two year implementation plan.

4.6. Communication with Stakeholders

The Council implements a comprehensive communications programme aimed at maintaining and enhancing communications with all of its stakeholders including teachers, representative bodies, teacher unions and other agencies working in the education sector. This programme is monitored regularly to ensure that the most effective, efficient and appropriate communication channels are utilised. Among the key initiatives engaged in during the reporting year were:

4.6.1. Teaching Council Contact Persons

Pictured at the Cork regional meeting with Contact Persons were Christy Carroll, Teaching Council Member (L), Áine Lawlor, CEO (R), James Mulcahy, Director, Cork Education Centre (back) and two participant teachers.

The Council continued to promote the nomination of Contact Persons in schools. The aim is that one registered teacher from each school will be the Teaching Council Contact Person and will ensure that information is distributed to their colleagues.

A large part of the promotion focused on the regional meetings with contact persons. These meetings provided contact persons with an opportunity to gain further information to take back to schools about the role and work of the

Teaching Council and also to share feedback. In the reporting year, nine such meetings took place nationwide. At the end of the reporting year, more than 1,300 teachers had been nominated as the contact person for their schools.

4.6.2. Newsletter

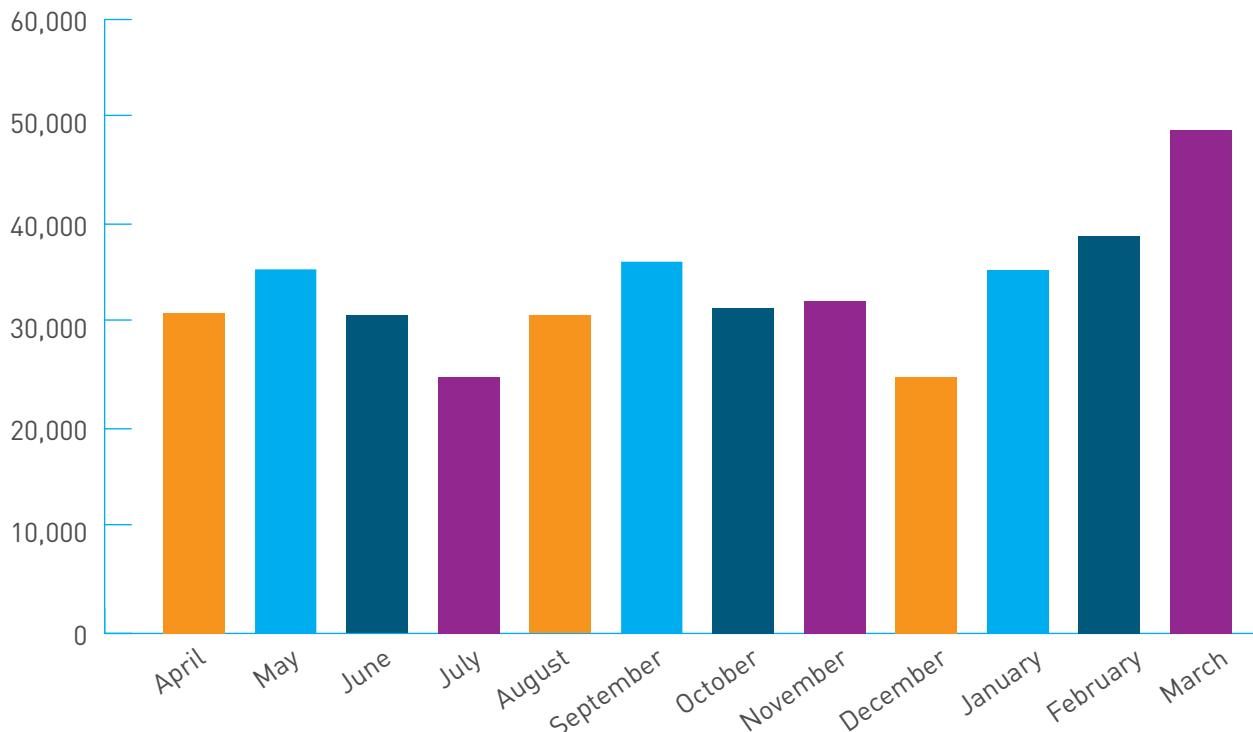

The autumn issue of Oide, the Teaching Council's newsletter, was produced and circulated in October 2010.

4.6.3. Corporate Website

Since its establishment in 2006, the Council's functions have expanded significantly, with the result that the original website design has not been able to continue to function as an efficient and user-friendly source of information. During the year, the Council's website, www.teachingcouncil.ie, was re-designed to provide an enhanced interface for our varied users and new content was added. The new website was at an advanced stage at the end of the reporting year and subsequently went live in June 2011.

On average, there were 33,485 visitors to the website each month between April 2010 and March 2011 inclusive. This is an increase of 20% on the previous year when the average was 27,780 visitors per month. The figures peaked in March 2011 which coincides with the registration renewal period for the majority of teachers (47,909 visits).

Figure 3. Visits to the Teaching Council Website, April 2010 to March 2011

4.6.4. Information Emails

During the year, nine information emails were issued to registered teachers who have provided the Council with an email address. The emails included information on planned events, the consultation process on the draft *Policy on the Continuum of Teacher Education*, the autumn issue of Oide and World Teachers' Day. On average, each mailing was sent to more than 55,000 email addresses. This is a direct and low-cost means of communication and teachers are encouraged to record an email address on the Register.

4.6.5. Liaison with Representative Bodies

The Council is committed to developing and maintaining relationships with the partners in education.

Its Director/CEO and senior staff attend a number of conferences, seminars and meetings to promote this goal. The Council is also dedicated to engaging with stakeholders regarding regulatory developments and, in the reporting year, dialogue and feedback regarding issues such as Garda vetting, teacher education for the further education sector and the requirements for admission to the Register, informed the Council's work in these areas.

4.7 Freedom of Information and Data Protection

The Council is subject to the requirements of the Freedom of Information Acts, 1997 and 2003 (FOI Act) and the Data Protection Acts, 1988 and 2003. There were four requests for information under the FOI Act during the reporting year. One request was withdrawn and handled outside of the FOI Act.

4.8 Gaeilge

The Council makes specific provision for delivery of its services in the Irish language. In doing so, it is guided by the provisions of the Official Languages Act, 2003.

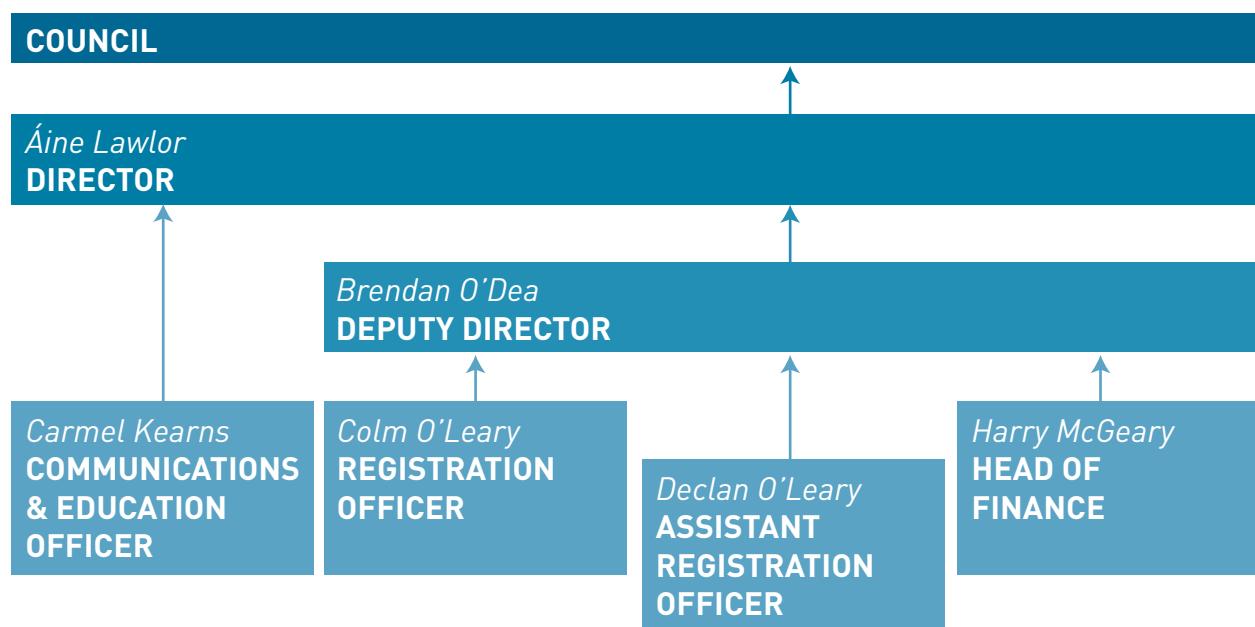

During the year, all communication received by the Council in the Irish language, by email, post or by telephone, was responded to by a fluent Irish speaker.

4.9 Health and Safety

During the reporting year, a working group of staff completed the drafting of the Council's safety statement in accordance with the Safety, Health and Welfare at Work Act, 2005, following consultation with the Staff Partnership Committee. The safety statement was approved by Council in May 2010 and communicated to staff.

Council's Report for the year ended 31 December 2010

The Council presents its report and the financial statements for the year ended 31 December 2010. The Teaching Council (An Chomhairle Mhúinteoiríreachta) was established on a statutory basis on 28 March 2006 in accordance with the Teaching Council Act, 2001.

Principal Activity and Review of the Business

The principal activity of the Teaching Council is to promote teaching as a profession at primary and post-primary levels, to promote the professional development of teachers and to regulate standards in the teaching profession.

There has been no significant change in these activities during the year ended 31 December 2010.

Principal Risks and Uncertainties

The Council has assessed the following risks and has taken measures to manage these risks in the Teaching Council as follows:

Fraud Risk

The risk is mitigated by maintaining segregation of duties for receipt of funds, and the payment of creditors.

The Council has put processes and controls in place to provide assurance that detailed checking is carried out at all stages to ensure the accuracy and validity of all transactions.

Non-commencement of elements of the Teaching Council Act 2001

Certain sections of the Teaching Council Act 2001 have not been commenced yet, restricting the scope of the Council. In particular, Section 30 (Mandatory Registration), Part V (Fitness to Teach), Section 39 (Continuing Professional Development) and Section 7.2 (f) and (g) (Induction and Probation) have not been commenced. The Minister for Education and Skills has indicated that the functions in relation to Induction and Probation will commence in September 2012. The Council has been communicating with the Minister and the Department of Education and Skills to progress the commencement of Section 30.

Results

The surplus for the year after providing for depreciation and taxation amounted to €3,244,564 (2009: €3,054,195). The surplus arises due to the delay in the commencement of certain functions of the Council and the subsequent deferral of associated expenditure. Once these additional functions are commenced, the annual expenditure of the Council will increase significantly. The current surplus will be used to meet these additional operating costs while maintaining the fee at its current level.

Future Developments

The Council plans to continue its present activities. The Minister for Education and Skills has indicated that the Teaching Council's functions in relation to Induction and Probation will commence in September 2012. The legislative process leading to the commencement of Section 30 of the Teaching Council Act 2001 (Mandatory Registration) is underway.

Books of Account

The Council is responsible under Section 18 of the Teaching Council Act, 2001, for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the organisation. The Council is also responsible for safeguarding the assets of the organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The books of account of the Teaching Council are maintained at Maynooth Business Campus, Maynooth, Co. Kildare.

Auditors

The auditors, Anne Brady McQuillans DFK, have indicated their willingness to continue in office.

Events After the Balance Sheet Date

There have been no circumstances or events subsequent to the year end, which require adjustment to, or disclosure in, the financial statements or in the notes thereto.

Statement of Council's Responsibilities for the Financial Statements

The Council is responsible for preparing the annual report and the financial statements in accordance with applicable Irish law, including Section 18 of the Teaching Council Act, 2001 and Generally Accepted Accounting Practice in Ireland including the accounting standards issued by the Accounting Standards Board and published by the Institute of Chartered Accountants in Ireland.

Irish law including Section 18 (2) of the Teaching Council Act, 2001, requires the Council to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the organisation for that period.

In preparing the financial statements, the Council is required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the organisation will continue in business.

The Council confirms that it has complied with the above requirements in preparing the financial statements.

The Council is responsible for keeping proper books of account which disclose with reasonable accuracy at any time the financial position of the organisation and enable it to ensure the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish Law including Section 18, of the Teaching Council Act, 2001.

The Council is responsible for safeguarding the assets of the organisation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Council is responsible for the maintenance and integrity of the website. Legislation in the Republic of Ireland concerning the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement on Internal Financial Control

On behalf of the Teaching Council I acknowledge our responsibility for ensuring that an effective system of internal financial control is maintained and operated.

The system can only provide reasonable and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely period.

The following procedures have been put in place by the Council and are designed to provide effective internal financial control:

- a) an appropriate control environment is ensured by clearly defined management responsibilities and procedures to identify and react to control failures
- b) a formal process to identify and evaluate organisational business risks is in place
- c) a comprehensive planning and budgetary system is in operation and expenditure trends are reviewed on a monthly basis.
- d) procedures for addressing the financial implications of major business risks include financial instructions and notes of procedures, delegation practices such as authorisation limits approved by Council and segregation of duties between processing and approval of payments
- e) the procedures for monitoring the effectiveness of internal financial control include an internal audit function which operates in accordance with the Code of Practice for the Governance of State Bodies and reports to the Audit Committee.

The Council's monitoring and review of the system of internal financial control is informed by the work of the management team within the Teaching Council who have responsibility for the development and maintenance of the financial management system, the work of our internal auditors and Audit Committee and comments made by the external auditors in their management letter and reports.

A formal review of the internal financial controls was undertaken in 2010.

Our audit work has been undertaken so that we might state to the Council's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the organisation and the Council's members as a body, for our audit work, for this report, or for the opinion we have formed.

Respective Responsibilities of the Council and Auditors

The Council's responsibilities for preparing the Council's report and the financial statements in accordance with applicable Irish law including Section 18 of the Teaching Council Act, 2001, and the accounting standards issued by the Accounting Standards Board and published by The Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland) are set out in the Statement of Council's Responsibilities.

We review whether the Statement on Internal Financial Control reflects the Council's compliance with the Code of Practice for the Governance of State Bodies and report any material instance where it does not do so, or if the statement is misleading or inconsistent with other information of which we are aware from our audit of the financial statements. We are not required to consider whether the Statement on Internal Financial Control covers all financial risks and controls, or to form an opinion on the effectiveness of the risk and control procedures.

We read the Council's report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of Audit Opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Council in the preparation of the financial statements, and of whether the accounting policies are appropriate to the organisation's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the Council's affairs as at 31 December 2010 and of its results for the year then ended; and

Notes to the Financial Statements for the year ended 31 December 2010

1. Accounting Policies

1.1. Accounting Convention

The financial statements have been prepared on the going concern basis and in accordance with accounting standards generally accepted in Ireland and Irish statute. Accounting Standards generally accepted in Ireland in preparing financial statements giving a true and fair view are those published by the Institute of Chartered Accountants in Ireland and issued by the Accounting Standards Board.

1.2. Income

Income comprises registration fees and assessment fees received during the year. Fees are set by the Council and approved by the Minister of Education and Skills. The Teaching Council's income recognition policy is to fully recognise all fees on a cash receipts basis.

1.3. Tangible Fixed Assets and Depreciation

Tangible fixed assets are stated at historic cost less accumulated depreciation. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset systematically over its expected useful life, as follows:

Fixtures and Fittings	- 10% straight line
Computer Equipment	- 33.33% straight line
Computer Software	- 20% straight line

The carrying values of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

1.4. Investments

Fixed asset investments are stated at cost less provision for impairments in value. Income from financial fixed asset investments, together with any related withholding tax, is recognised in the income and expenditure account in the year in which it is received.

Notes to the Financial Statements for the year ended 31 December 2010

1.5. Pensions

The Council operates a defined benefit pension scheme for its employees. The scheme is based on the Public Service Model and is approved by the Minister for Education and Skills and the Minister for Finance. Pension benefits payable under the scheme are funded by the Exchequer.

In addition, the Council's arrangements have a number of specific characteristics:

- the Council makes an agreed contribution to the Department of Education and Skills
- the contribution comprises an employee element along with an employer element. In accordance with government policy on public sector pensions the employer's contribution amounts to 25% of gross pay for employees paying PRSI at the A rate and 30% of gross pay for employees paying PRSI at the D rate.
- there is an explicit commitment from the Department of Education and Skills with the agreement of the Department of Finance that the Exchequer will meet the cost of benefits as they fall due.

The Council considers that its pension arrangements as described above have the same financial effect from the Council's point of view as a defined contribution scheme. It is of the view that the provisions of FRS 17, Accounting for Retirement Benefits, which arise under defined benefit schemes are not appropriate to its circumstances. Accordingly it accounts for its contribution as if the scheme was a defined contribution scheme.

1.6. Taxation

The yearly charge for taxation is based on passive income for the year and is calculated with reference to the tax rate applying on the balance sheet date.

1.7. Designated Reserves

The Council has determined that it may at its discretion set aside unrestricted funds for designated future purposes. Where such funds are no longer required for the intended purpose, they will be released to the General Reserve.

2. Income

The income of the organisation for the year has been derived from its principal activity wholly undertaken in Ireland.

Ag breathnú siar ba thréimhse bliana í nuair a rinne an Chomhairle Mhúinteoiriachta comhdhlúthú ar an dul chun cinn a bhí déanta aici ar chlárúchán agus ar oideachas múinteoirí agus nuair a bhí ullmhú á dhéanamh aici don leathnú suntasach ar a téarmaí tagartha reachtúla a bheidh, is dócha, ag tarlú sa ghearr nó sa mheán tréimhse.

Tá an-fháilte roimh an cinneadh a rinneadh le déanaí síneadh bliana a chur le fad na gclár céime agus iar-chéime d'oideachas múinteoirí. Cruthaíonn an dul chun cinn seo deiseanna suntasacha don athbhreithniú agus don forbairt ar chláir ionas gur féidir le hiontrálaithe nua chuig gairm na mhúinteoiriachta bheith ullmhaithe go maith do dhúshláin an tseomra ranga san aonú haois is fiche.

I mí na Nollag 2010, bhunaigh an Chomhairle Mhúinteoiriachta grúpa comhairleach chun critéir agus treoirlínte a forbairt d'Institiúidí Ardoideachais a bhfuil cláir oideachais múinteoirí á ofrál acu. Chuir an grúpa comhairleach a céad aighneacht faoi bhráid na Comhairle i mí an Mheithimh 2011 agus ina dhiaidh sin rinneadh na critéir agus na treoirlínte a dháileadh ar na hInstitiúidí Ardoideachais uile. Tá a lán soláthróirí clár páirteach cheana féin sa phlé ar athchoincheapú na gclár agus cuideoidh na critéir agus na treoirlínte leis an bpróiseas sin chun a dheimhniú go sásáíonn Institiúidí Ardoideachais riachtanais na Comhairle don chreidiúnú gairmiúil.

Tá an t-aitheantas gur próiseas ar feadh an tsaoil é oideachas múinteora go lárnach in éiteas na Comhairle Múinteoiriachta. Tá an Polasaí ar an Leanúntas in Oideachas Múinteoirí, a ghlac an Chomhairle i mí an Mheithimh 2011, bunaithe ar phrionsabail na nuálaíochta, an chomhtháthaithe agus an fheabhsaithe agus is cinnte go mbeidh sé mar dhoiciméad bunaidh tábhachtach nuair a thugtar túis feidhme do chumhachtaí reachtúla na Comhairle maidir le hionduchtú, promhadh agus forbairt ghairmiúil leanúnach.

Is léir freisin tiomantas na Comhairle Múinteoiriachta d'oideachas múinteoirí óna tacáiocht don taighde. Le linn na tréimhse tuairiscithe, rinneadh coimisiú ar thrí thogra suntasach taighde. Mar aon leis sin, bhronn an Chomhairle Mhúinteoiriachta 36 sparántachtaí ar mhúinteoirí agus ar thaighdeoirí a raibh obair ar bun acu i réimsí an teagaisc, na foghlama agus an mheasúnaithe. Ainmníodh na sparántachtaí seo in onór ár gcomhghleacaí a d'éag, Ciarán Ó Drisceoil, múinteoir iar-bhunoideachais ar scor, agus ball den Chomhairle Mhúinteoiriachta. Bhí Ciarán ar an gComhairle Mhúinteoiriachta ó ceapadh é i 2005 agus ba léir a dhíograis, a fhuinneamh agus a thiomantas don ghairm san obair a rinne sé don Chomhairle.

Ó bunaíodh í, tá obair na Comhairle Mhúinteoirreachta treoraithe ag an ngluaiseacht don bharrmhaitheas, an tiomantas don trédhearcacht agus an meas ar an tionchar sár-mhór a bhíonn ag an oideachas ar leas sóisialta agus eacnamaíochta ár dtíre. Tá ár gcuid oibre curtha i gcrích againn i gcomhairle lenár bpáirtneirí in earnáil an oideachais a bhfuil sárchaidrimh oibre bunaithe againn leo. Creidim go bhfuil ár bpáirtíocht suntasach agus fáltímid roimh na deiseanna agus na dúshláin atá le teacht.

Maidir leis sin, sna blianta atá romhainn cuirfear go mór le téarmaí reachtúla na Comhairle Múinteoirreachta, ach go háirithe i ngeall ar an túis, ar Alt 30 agus ar fheidhmeanna imscrúdaitheach agus araónacha na Comhairle Múinteoirreachta faoi Chuid 5 den Acht, agus a ról reachtúil maidir le hionductú agus promhadh mhúinteoirí nua.

Is mian liom mo mhór bhúiochas a chur in iúl do mo chomhghleacaithe ar an gComhairle i ngeall ar a ndúthracht agus a bhfuinneamh i gcaitheamh na bliana. Tá a dtiomantas gan staonadh don fhreastal ar bharrleasa an oideachais ionsparáideach. Mar aon leis sin táim faoi chomaoin ag foireann na Comhairle Múinteoirreachta as a bhfuil déanta acu siúd, faoi cheannasaíocht Áine Lawlor, chun tacú go díograiseach agus go gairmiúil le hobair na Comhairle.

Mar fhocal scoir, ba mhaith liom thar ceann na Comhairle, tréaslú le hÁine Lawlor ar ócáid a scoir ón obair. Guím scor sona sásta uirthi agus gabhaim buiochas di as a chuid tacaíochta i rith téarma a hoifige. Bhí fíos ag Áine i leith an oideachais agus beidh tionchar aici seo ar ghairm na müinteoirreachta go ceann i bhfad, agus i ndeireadh thiar ar fhoghlaimeoirí na tíre seo.

Tuairisc an Stiúrthóra

Áine Lawlor,
POF/Stiúrthóir

Seo é an tuairisc dheireanach a bheidh á scríobh agam mar Stiúrthóir na Comhairle Múinteoiractoisc toisc go mbeidh mé ag dul ar scor inniu, 30 Samhain 2011, tar éis dom seacht mbliana a chaitheamh sa phost seo. Dá bhrí sin, tá an deis á thapú agam chun roinnt athmhachnaimh a dhéanamh ar fhorbairt na Comhairle Múinteoreachta go dáta, mar aon le mo chuid barúlacha a léiriú ar an ról atá ag an gComhairle i gcur chun cinn na múinteoreachta mar ghairm.

Tionóladh an chéad Chomhairle i 2005 agus rinneadh í a bhunú ar bhonn reachtúil i 2006. Thug sí le chéile 37 ball ó ghairm na múinteoreachta, ó chumainn múinteoirí, ó choláistí agus ollscoileanna, ó eagrais bhainistíochta agus thuismitheoirí mar aon le hainmniúchán Airí. As an 37 ball bhí 22 múinteoir, mar atá forálte san Acht um Chomhairle Mhúinteoreachta, 2001. Bhí, agus leanann mar shaintréith ag obair bhaill na Comhairle Múinteoreachta, a dtiomantas don ardcháilíocht oideachais do dhaoine óga in ár scoileanna agus, chuige seo, bíonn a bhfócas thíre ar chur i bhfeidhm an Acharta.

Is í an Chomhairle Mhúinteoreachta an comhlacht rialaithe don mhúinteoreacht. Os rud é gur múinteoirí iad tromlach na mball, tá iontaobh á chur i múinteoirí do chur chun cinn na múinteoreachta trí fheidhmeanna na Comhairle. Bíonn míthuiscent uaireanta maidir leis na focail “cur chun cinn na múinteoreachta mar ghairm”, a thagann ón Acht, agus tuigtear mar mhíniú orthu “seasamh le múinteoirí”. Don Chomhairle is ionann cur chun cinn na múinteoreachta mar ghairm agus gach rud a dhéanamh laistigh dá freagracht reachtúil chun caighdeáin a fhorbairt agus a chothabháil maidir le gach gné de ghairmiúlacht na múinteoreachta: Clár Múinteoirí a bhunú agus ceadúnas teagaisc a thabhairt do mhúinteoirí trí chlárúchán bunaithe ar cháilíochtaí; cód iompair ghairmiúil do mhúinteoirí a bhunú agus a chothabháil; cláir don oideachas tosaigh do mhúinteoirí a athbhreithniú agus a chreidiúnú lena dheimhniú go mbíonn céimithe ullmhaithe mar is cóir don iontráil chun na gairme; nósanna imeachta don ionduchtú chun na gairme a bhunú; creat a fhorbairt d'fhorbairt ghairmiúil leanúnach múinteoirí agus iniúchaidh a chur ar bun, de réir mar is gá, i leith oriúnachta mhúinteora don ghairm.

Is cúis áthais dom a thuairisciú go bhfuil a lán bainte amach ag an gComhairle sna réimsí atá luaite thusa. Tá an chéad Chlár Múinteoirí sa Stát bunaithe agus tá forbairt déanta ag an gComhairle ar shraith cuimsiteach rialacha don rialú ar iontráil ar an gClár. Foilsíodh Rialacháin na Comhairle Múinteoreachta [Clárúchán] i 2009 agus, don chéad uair, tugann siad aonfhoirmeacht do na riachtanais iontrála chun na gairme sa Stát. Mar shampla, éilíonn siad, ó Aibreán 2013, go gcaithfidh gach múinteoir ar mian leo a bheith cláraithe cálíocht mhúinteoreachta aitheanta a bheith acu. Go dtí seo, ní raibh a leithéid mar riachtanas i ngach earnáil.

Faoi láthair, tá breis agus 73,000 mhúinteoir cláraithe agus cuireann thart ar 7,500 mhúinteoir iarratas isteach ar an gclarúchán gach bliain. Déantar na cáilíochtaí do gach iarratasóir don chlárúchán a mheas i gcoinne na gcaighdeán atá leagtha síos sna rialúcháin. Déanann an Chomhairle comhordú freisin ar gach iarratas don chlárúchán agus, go dáta, tá an seiceáil do 35,000 mhúinteoir eagraithe aici. Criedim go bhfuil an chosaint ar chaighdeáin iontrála chuig gairm na mhúinteoirreachta mar cheann de na feidhmeanna is tabhactaí ag an gComhairle Mhúinteoirreachta agus tá a bhfuil bainte amach aici sa réimse seo mar gharsprioc suntasach i bhforbairt ghairm na mhúinteoirreachta.

Déanann na *Cóid lompair Ghairmiúil do Mhúinteoirí*, a d'fhoilsigh an Chomhairle i 2007, na caighdeáin don iompar agus don chleachtas gairmiúil, a mbítear ag súil leo ó gach mhúinteoir, a rianadh. Cuireann sé seo an mhúinteoirreacht ar chomhchéim le gairmeacha eile in Éirinn agus le gairm na mhúinteoirreachta i dtíortha eile. Ag an tráth scríofa seo, tá tú á chur le próiseas comhairliúchán ar na Cóid agus ba mhaith liom mhúinteoirí, mar aon leo siúd a bhfuil spéis acu sa mhúinteoirreacht mar ghairm, a ghríosadh le páirt ghníomhach a ghlacadh sa phróiseas.

Is doiciméad suntasach é doiciméad na Comhairle *Polasaí ar an Leanúntas in Oideachas Mhúinteoirí* a foilsíodh le déanaí agus a leagan sé amach fíos na Comhairle d'oideachas mhúinteoirí, ar a n-áirítear oideachas tosaigh mhúinteoirí, ionduchtú agus forbairt ghairmiúil leanúnach. Dá réir, cuirfidh sé creat ar fáil d'obair na Comhairle i ngach cuid dá réimsí. Tabharfaidh sé bealach soiléir chun cinn do sholáthróirí clár agus cuirfidh sé cruth ar thaithí rannpháirtíochta mac léinn, mhúinteoirí nuacháilthe agus mhúinteoirí le taithí le linn a ngairm mar mhúinteoirí. Tá doiciméad eile de chuid na Comhairle, *Oideachas Tosaigh Mhúinteoirí: Critéir agus Treoirlínte do Sholáthróirí Clár*, a leagann amach na critéir a gcaithfidh Institiúidí Ardoideachais cloí leo más mian leo go mbeadh creidiúnú ag a gcláir ón gComhairle. Cuirfear go mór leis na cláir ón síneadh a chuirfear lena bhfad, mar a fógraíodh níos luaithe i mbliana. Cuirfidh sé seo deis ar fáil do thréimhse síníthe socrúcháin scoile agus don fhorbairt ar scileanna agus ar chumais riachtanacha i réimsí ar nós machnamh, taighde agus forbairt punann.

Faoi láthair, tá 44 clár don oideachas tosaigh mhúinteoirí in Éirinn, á soláthar ag 22 Institiúid Ardoideachais. Don chéad uair tá córas i bhfeidhm don chreidiúnú gairmiúil ar chláir lena n-oiriúntacht don teagasc a dheimhniú. Rinneadh ocht gclár a athbhreithniú sa tréimhse 2009 - 2011 agus, mar thoradh ar mholtaí i dtuarascálacha na n-athbhreithnithe, tá mór-athruithe curtha i bhfeidhm cheana féin ar na cláir, agus tá athruithe eile idir lámha nó á bpleanáil.

Tá sé i gceist go gcuirfeadh an tAire túis le róil na Comhairle i leith an ionduchtaithe agus an phromhaidh i mí Mheán Fómhair 2012. Tá nósanna imeachta agus critéir nua á ndréachtadh ag an gComhairle faoi láthair don tréimhse iontrála gairme agus táthar ag súil go rachaidh siad seo amach don chomhairliúchán go luath i 2012. Tógann an tréimhse iontrála gairme ar an mbunchloch atá leagtha síos san oideachas tosaigh do mhúinteoirí agus leanann turas an mhúinteora don fhoghlaim ar feadh an tsaoil ar leanúntas oideachais an mhúinteora. Creidim gur chóir go mbeadh an t-aistriú ó mhac léinn mhúinteoirreachta go cleachtóir neamhspleách aonair ag leibhéal pearsanta agus gairmiúil mar eispéaras an-dearfach, agus is cúis áthais ar leith dom go raibh páirt agam sa dréachtadh go dáta ar an bpróiseas iontrála chun na gairme. Lenafaidh mé ag breathnú le spéis ar na forbairtí sa réimse seo.

Tá tú le cur fós ag an Aire le ról na Comhairle sa bhforbairt ghairmiúil leanúnach. Tá, áfach, a lán oibre tábhachtach déanta cheana féin, ach go háirithe an fhorbairt ar shainmhíniú cuimsitheach ar a bhfuil i gceist le FGL mar aon leis an gceart agus an fhreagracht a bhaineann lena leithéid don uile mhúinteoir. Sna blianta atá le teacht, déanfaidh an Chomhairle creat náisiúnta a fhorbairt don FGL a thabharfaidh comhleanúnachas breise don ghné thábhachtach seo d'fhorbairt ghairmiúil an mhúinteora.

Tá an Chomhairle ag feitheamh leis an tú le lena feidhmeanna reachtúla iniúchaidh agus araónachta agus tá a lán oibre déanta chun ullmhú don ról seo. Ceann de na sainchomharthaí ag gairm ná gur comhlacht gairmiúil í a phléann le gearáin faoina lucht gairme cláraithe. Sa chomhthéacs seo, beidh feidhmiú na Comhairle ar na róil iniúchaidh agus araónachta mar chéim thábhachtach chun cinn ag gairm na múinteoreachta.

Léiríonn an taighde nach féidir le cáilíocht an chórais oideachais a bheith níos fearr ná cáilíocht a múinteoirí. Dá bhí sin tá sé rí-thábhachtach go leanann an mhúinteoireacht mar rogha gairme tarraingteach dóibh siúd ar féidir leo dianriachtanais an oideachais do mhúinteoirí a shásamh ag gach céim den chontanam, agus dul i ngleic le castacht na múinteoreachta, go tuisceanach, dúthrachtach, tiomanta, paisiúnta, cumasach agus muiníneach. Is breá an rud é go leantar in Éirinn ar dhaoine ar ardchaighdeán a mhealladh chun na gairme. Mar sin féin, is ábhar imní é go bhféadfadh go gcruthaíonn an farasbarr mhúinteoirí mar atá faoi láthair, agus an t-easpa deiseanna fostáiochta a leanann, laghdú i dtarraingteachas na múinteoreachta mar ghairm agus d'fhéadfadh a leithéid a bheith damáisteach do ghairm na múinteoreachta. Tá ról ag an gComhairle maidir le comhairle a chur ar an Aire faoin soláthar mhúinteoirí agus, sa chomhthéacs sin, táthar ag súil go raghfari i ngleic leis an ngnó seo sa ghearrthodhchaí.

Ag breathnú siar ar an 42 bliain atá caite agam le hoideachas in Éirinn, mar mhúinteoir agus i ról ábhartha, tá a lán feicithe agam ar chúis bróid iad maidir le forbairt na múinteoreachta mar ghairm. Sampla amháin a thagann chun cuimhne ná an t-athrú ar nádúr ról mheastóireachta na scoile, ó cheann a bhí mar shamhail cigireacht-thiomáinte ó “bharr-anuas”, go ceann le fócas méadaithe ar chumas scoileanna dá bhféinmheastóireacht. Is cóir a leithéid d'athrú a fháiltiú, mar go léiríonn sé ardú sa leibhéal iontaofacht i ngairm na múinteoreachta, agus tá a leithéid de réir an éitis fhéinrialaitigh ag an gComhairle Mhúinteoreachta.

Sa chur chun cinn ar an mhúinteoreacht mar ghairm tháinig an Chomhairle, trína taighde, ar ardmheas a bheith ag pobal na hÉireann ar mhúinteoirí. Léirigh torthaí suirbhé a rinne an Chomhairle i 2009 go bhfuil ardleibhéal muiníne ag formhór na bhfreagróirí i múinteoirí, agus go bhfuil siad sásta leis an tslí ina ndéanann siad a gcuid oibre. Bhí deimhniú láidir le fáil freisin ar a ról luachmhar inár sochaí mar aon le leibhéal maith tuisceana ar chastacht an ról agus ar an leibhéal scile is gá.

Breis agus deich mbliana ó shin, ba í an ról a bhí intuigthe don Chomhairle Mhúinteoreachta ná ‘ról lárnach a bheith aici lena dheimhniú go ndéantar ardchaighdeán mhúinteoirí, agus oideachais, a chothabháil agus a láidriú.’ Creidim sa chéim tosaigh den fhorbairt go ndeachaigh an Chomhairle cuid mhaith den bhealach i dtreo na sprice a bhaint amach. Tá fí aici don bhóthar atá roimpi, agus, trína hobair ceannródaíochta le sé bliana anuas, tá bealach soiléir chun cinn leagtha amach aici don turas.

Sa tréimhse dheiridh de mo ghairm féin, bhí de phribhléid agam gur ceapadh mé mar Stiúrthóir ar an gComhairle Mhúinteoiríreachta i 2004, rud a thug deis dom dul i mbun oibre i gcroí na múinteoiríreachta. Ba thaithí iontach a bhí ann agus is mó duine a bhfuil mo bhuíochas tuillte acu. Bhí sé tairbheach agus taitneamhach a bheith ag obair le páirtnéirí an oideachais, le pearsanra ón Roinn Oideachais agus Scileanna, le hoiliúnóirí mhúinteoirí agus le hionadaithe ó earnálacha eile, i réimse an oideachais agus eile. Ba mhaith liom buíochas a ghabháil go speisialta le Príomhfeidhmeannaigh agus le foirne na gComhairlí Mhúinteoiríreachta sa gharthimpeallacht, agus le comhlachtaí gairmiúla eile in Éirinn, i ngeall ar a n-eolas agus a saineolas ó ghort an rialúcháin ghairmiúil a roinn siad go fonnmar, agus i ngeall ar an tacáiocht agus an cairdeas a bhí le fáil uatha i gcaitheamh na mblianta.

Laistigh den Chomhairle Mhúinteoiríreachta féin, ba mhór agam an tacáiocht iontach agus an chomhghuallaíocht a bhí le fáil agam, agus is mian liom mo chomaoín a chur in iúl do na hlarchathaoirligh, Joan Ward agus Pat McQuaile agus don Chathaoirleach atá ann faoi láthair, Lily Cronin, mar aon le comhghleacaithe ón gComhairle, faoi láthair agus ón am atá thart, do spiorad an chomhoibrithe agus na compháirtíochta a thug siad leo i gcónaí chuig obair na Comhairle. Bhí Ciarán Ó Drisceoil, iarbhalla den Chomhairle a fuair bás i 2010, thar a bheith tacúil agus ba mhór agam é mar dhlúthchara le linn na tréimhse a chaith sé ar an gComhairle.

Tá tacáiocht ag an gComhairle ó fhoireann bhainistíochta láidir agus comhtháite agus ó phearsanra den scoth a bhfuil an-tiomantas acu don tacú le feidhmeanna na Comhairle. Is mian liom aitheantas a thabhairt dá rannpháirtíocht agus dá dtacaíocht thar na bearta, agus brathfaidh mé uaim go mór a gcomhghuallaíocht.

Mo bhuíochas, i ndeireadh báire, do mhúinteoirí na hÉireann, go háirithe Daoine Teagmhála na Comhairle Mhúinteoiríreachta a bhí gafa le, agus a thug tacáiocht, don Chomhairle ó bunaíodh í.

Tá a lán oibre fós le déanamh agus d'fhéadfadh go mbeidh dúshláin le teacht. Leanfaidh mise le spéis ghníomhach a bheith agam in obair na Comhairle agus beidh mé ag súil, le hoirchill, lena hobair go leanúnach i dtreo mhaitheas ghairm na múinteoiríreachta.

Guím gach rath ar an obair agus gach beannacht oraibh go léir.

Slán agaibh,

1. Rialú na Gairme

Faoi Acht um Chomhairle Mhúinteoirreachta, 2001, is iad príomhréimsí freagachta na Comhairle maidir leis an gclárúchán agus an rialú ar ghairm na múinteoirreachta ná:

- Clár na Múinteoirí a Chotheabháil
- Na Coid lompair Ghairmiúil do Mhúinteoirí a chur chun cinn
- Iniúchaidh a dhéanamh ar an oiriúnacht don teagasc ag múinteoirí cláraithe.

1.1. Clár na Múinteoirí a Chotheabháil

1.1.1. Staitisticí Cláir

Bíonn an clárúchán mar chomhartha don aitheantas gairmiúil mar mhúinteoir agus cinníonn sé go ndéantar caighdeáin ghairmiúla don iontráil chun na gairme a chotheabháil. Ag túis na bliana tuairiscithe ba é móriomlán na múinteoirí a bhí cláraithe ná 68,313 (Tábla 1).

Sa bhliain ar a ndéantar tuairisciú, ceadaíodh 6,886 ar an gClár (Tábla 2). Ba chéimithe nua iad 3,426 acu seo (Tábla 1).

I rith na bliana ar a bhfuil tuairisciú á dhéanamh, theip ar 3,376 múinteoirí athnuachan a dhéanamh ar a gclarúchán agus rinneadh iad a bhaint den Chláir (Tábla 1). Mar aon leis sin, d'éilih 1,312 múinteoirí, a bhformhór acu ag dul ar scor, go mbainffí a n-ainmneacha den Chláir.

Ba é an móriomlán múinteoirí a bhí cláraithe leis an gComhairle Mhúinteoirreachta ag deireadh na bliana ar a ndéantar tuairisciú ná 70,510 (Tábla 1). Seo méadú 3% ar an mbliain tuairiscithe roimhe sin agus is é sin an líon is mó múinteoirí a cláraíodh leis an gComhairle Mhúinteoirreachta. Mhéadaigh líon na gcláraithe nua freisin le 12% i gcomparáid leis an tréimhse tuairiscithe roimhe sin (Tábla 1).

1.1.2. Rialachán Clárúchán

Tugann Rialachán [Clárúchán] na Comhairle Múinteoirreachta 2009 aonfhoirmeacht bhereise do na riachtanais iontrála chuig gairm na múinteoirreachta ag leibhéal an bhunoideachais, an iar-bhunoideachais agus an bhrefisoideachais. Tagann siad in áit sraith Imlitreacha agus treoirlínte ón Roinn Oideachais agus Scileanna, ar ghlac an Chomhairle leo.

I measc na bhforálacha atá sna Rialachán tá riachtanas a éilíonn, ó Aibreán 2013, go mbeidh ar gach múinteoir nua in earnálacha an CGO agus an bhrefisoideachais cáilíocht oideachas múinteora aitheanta a bheith acu.

Baineann cúig shraith rialachán ar leith leis na Rialachán Clárúcháin. Sa chéad cheann acu sin leagtar amach na catagóirí eolais a choimeádfaidh an Chomhairle maidir le gach múinteoir cláraithe agus na forálacha a bhaineann leis an gclár a bheith ar fáil don iniúchadh. Déantar rianadh ann freisin ar an bhfianaise ar dhea-charachтар is gá don cheadú ar Chlár na Múinteoirí. Mar aon le seiceáil an Gharda Síochána, éilítear ó dhaoine ar mian leo a bheith cláraithe mar mhúinteoirí in Éirinn dearbhú a sholáthar maidir le haon chiontuithe coiriúla a cláraíodh ina gcoinne nó maidir le haon torthaí araónachta a eisíodh ó aon chomhlacht gairmiúil, aon chomhlacht rialála, nó aon fhostóir in Éirinn nó thar lear.

Déanann Rialachán a Dó, a Ceathair agus a Cúig na caighdeáin iontrála sna hearnálacha buinoideachais, iar-bhunoideachais agus breisoideachais faoi seach a rianadh, agus leagtar amach i Rialachán a Trí na riachtanais iontrála do mhúinteoirí Montessori agus do mhúinteoirí le saincháilíochtaí cuí ar nós iad siúd is gá chun foghlaimeoírí a bhfuil riachtanais speisialta oideachais acu a mhúineadh.

Tá fáil le híoslódáil ar Rialachán [Clárúchán] na Comhairle Múinteoirreachta 2009 ó www.oide.ie.

1.1.3. Cead isteach ar an gClár

Caithfidh gach iarratasóir don chlárúchán a dheimhniú go sásáíonn siad na riachtanais clárúcháin do Rialachán a hAon de Rialachán [Clarúchán] na Comhairle Múinteoirreachta, 2009 mar aon leo siúd a bhfuil cur síos orthu sa rialachán ábhartha don earnáil oideachais lena mbaineann siad, m.sh., Rialachán a Dó don mhúinteoirreacht bhunscoile; Rialachán a Ceathair don mhúinteoirreacht iar-bhunscoile. Déantar gach iarratas don chlarúchán a mheas ar bhonn aonair.

Tagann cláraithe nua ó na trí chatagóir seo a leanas:

• Céimithe nuacháilithe ó Institiúidí Ardoideachas

Tugtar aitheantas go huathúil don chlárúchán do cháilíochtaí céimithe ó chláir aitheantas don oideachas tosaigh múinteoirí a bhíonn á sholáthar ag Institiúidí Ardoideachais in Éirinn.

Tá forbairt bhereise déanta ag an gComhairle ar a próiseas clárúcháin do Mhúinteoirí Nuacháilthe (MNC) agus i gcaitheamh na bliana tuairiscithe tugadh 23 cuairteanna ar mhic léinn na bliana deireanaí ar chláir creidiúnaithe don oideachas tosaigh múinteoirí. Tá sé mar chuspóir ag na cuairteanna eolas a sholáthar do mhic léinn ar ról na Comhairle agus ar thábhacht an chlárúcháin sa saol gairmiúil a bheidh acu mar mhúinteoirí. Le linn na gcuairteanna seo, iarrtar ar mhic léinn túis a chur leis an bpróiseas Fianaise ar Charachтар le Seiceáil an Gharda Síochána agus le teistiméireachtaí carachtair. Iarrtar orthu freisin cead a thabhairt dá nInstitiúidí Ardoideachas a dtorthaí ag deireadh na bliana a aistriú go

díreach go dtí an Chomhairle Mhúinteoiriachta. Éascaíonn sé seo clárúchán múinteoirí in am do thús an chéad téarma scoile sa bhfómhar.

Ba é an lín MNC a chur iarratas isteach ar an gclárúchán sa bhlain tuairiscithe ná 3,426, ionann agus méadú 9.3% thar mar a bhí sa bhlain tuairiscithe roimhe sin (féach Tábla 1, l4).

- **Múinteoirí a cháligh ó Institiúid Ardoideachais in Éirinn roimh an bhlain reatha seo**

Is féidir le hiarratasóirí a bhfuil cáilíochtaí bronnta orthu in Éirinn, nach céimithe nua iad agus ar mian leo tosú, nó filleadh, ar an mhúinteoiracht tar éis tréimhse fhada in easnamh (m.sh. briseadh gairme) iarratas a chur faoi bhráid na Comhairle Múinteoiriachta don chlárúchán.

- **Múinteoirí a cháligh ó institiúid lásmuigh d'Éireann**

Le linn na bliana tuairiscithe lean an Chomhairle Mhúinteoiriachta ar iarratais don chlárúcháin a phróiseáil ó mhúinteoirí a cháligh lásmuigh den Stát. Déantar gach iarratas den chineál seo a mheas ar bhonn aonair agus de réir mar atá i Rialacháin [Clárúchán] na Comhairle Múinteoiriachta 2009. Is féidir an clárú a cheadú faoi réir ag coinníollacha, a chaithfear a chur i gcrích laistigh de thréimhse ama ar leith.

De réir mar atá i dTreoir AE 2005/36/EC ar chomhaitheantas cáilíochtaí, is í An Chomhairle Mhúinteoiriachta an t-údarás aitheanta in Éirinn don mheasúnú ar iarratais don chlárúchán ó dhaoine atá aitheanta mar mhúinteoirí i dtíortha AE/LEE eile. Is í an Chomhairle freisin an t-údarás aitheanta don aitheantas ar chálíochtaí a fhaightear i dtíortha lásmuigh den AE/LEE.

1.1.4. Teastais Chláirúcháin

Eisítéar Teastais Chláirúcháin chuig múinteoirí lán-chláraithe de réir Ailt 21 den Acht um Chomhairle Mhúinteoiriachta. Is doiciméad luachmhar é an teastas agus is eisiúint aon uaire a bhíonn ann. Gheibheann múinteoirí a bhíonn cláraithe go coinníollach leis an gComhairle Mhúinteoiriachta teastas clárúcháin nuair a shásáitear na coinníollacha clárúcháin. Taobh le taobh leis seo, gheibheann múinteoirí cláraithe cártá ballraíochta bliana a bhíonn mar chruthúnas ar an gclárúchán leis an gComhairle Mhúinteoiriachta. Tá fáil ar shraith Ceisteanna Coitianta faoi theastais clárúcháin ar fáil ar www.oide.ie

Sa bhlain tuairiscithe eisíodh 3,351 teastas clárúcháin chuig múinteoirí a shásáigh na riachtanais don chlárúchán iomlán.

1.1.5. Fianaise ar Charachtar

Caithfidh iarratasóirí ar mian leo clárú mar mhúinteoirí riachtanais na Comhairle maidir le ‘Fianaise ar Charachtar’, i measc rudaí eile, a shásamh. Chun é sin a dhéanamh caithfidh siad:

1. Litir mholtá ar charachtar a sholáthar ó dhuine cuí cailithe
2. Dul trí phróiseas do Sheiceáil an Gharda Síochána agus, i gcás iarratasóirí a bhuil tréimhsí suntasacha caite acu ina gconaí thar lear, imréiteach pólíní ó thar lear a sholáthar.

Taobh le taobh lena ról ar fhianaise carachtair a éileamh mar chuid de phróiseas an chlárúcháin, déanann an Chomhairle comhordú freisin ar shocruithe seiceála na nGardaí do mhúinteoirí nua a bhíonn ag dul isteach sa mhúinteoireacht agus do mhúinteoirí eile a bhíonn á gceapadh chuig poist mhúinteoireachta agus gan seiceáil déanta orthu sa bliain chéanna féilire ná sa bliain roimhe sin.

Tá na sonraí a bhaineann le nósanna imeachta don earcú, ar a n-áirítear riachtanais do sheiceáil an Gharda, leagtha amach in Imlitir na Roinne Oideachais agus Scileanna 0063/2010, a tháinig i bhfeidhm ar 1 Eanáir 2011. Tagann an Imlitir seo in ionad Imlitir 0094/2006.

• Grúpa Oibre

I mí na Nollag 2008, thionóil an Chomhairle cruinniú de na páirtithe uile a raibh spéis acu sa bhforbairt ar phróiseas do sheiceála an Gharda do na múinteoirí cláraithe uile a bhí sa tseirbhís roimh bhunú na Comhairle Mhúinteoireachta i 2006, agus nár tháinig fós faoi réir ag seiceáil an Gharda Síochána. Bunaíodh Grúpa Oibre ag an am sin a bhuil dul chun cinn suntasach déanta aige maidir le córas seiceála a chur i bhfeidhm don uile mhúinteoir. Tá an grúpa oibre tar éis scríobh go dtí an Aire Oideachais agus Scileanna ag tabhairt cur síos ar an dul chun cinn go dáta agus ag éileamh cúnaimh an Aire maidir le gnóthaí reachtacha agus acmhainne atá aitheanta a réiteach.

Ar mhaith leis an bpróiseas d’iarratas seiceála an Gharda Síochána a shimpliú, tá rogha ar líne á fhorbairt ag an gComhairle agus táthar ag súil go mbeidh sé seo i bhfeidhm i 2011. Idir an dá linn tá leasú déanta, i gcomhpháirt le Láirionad Seiceála an Gharda Síochána, ar an bhfoirm iarratais do sheiceáil an Gharda Síochána ionas go mbeidh sé níos furasta le húsáid.

• Staitisticí don Bliain Tuairiscithe

Sa bliain tuairiscithe, chomhlánaigh 9,164 iarratasóirí an próiseas ar Fhianaise ar Charachtar.

I gcás 199 iarratasóirí, tháinig nochtadh chun solais ó Larionad Seiceála an Gharda Síochána maidir le ciontuithe nó imchuísimh agus cuireadh iad seo faoi bhráid Phainéal na Comhairle ar Fhianaise Carachtair dá bhreithmheas. Agus iad ag baint úsáide as treoirlínte atá faomhtha ag an gComhairle Mhúinteoireachta, déanann an Painéal cinneadh maidir le hábharthacht a leithéid de chiontú ar oiriúnacht mhúinteora don chlárú. Mar aon leis sin, rinne an Painéal breithmheastóireacht ar líon beag tortaí araónacha ó chomhailí mhúinteoreachta nó óna leithéid de chomhlachtaí gairmiúla i ndlínsí eile. Níor diúltáidh cead ar an gClár, mar thoradh ar Fhianaise ar Charachtar, d'aon mhúinteoir le linn na bliana ar a bhuil tuairisciú á dhéanamh.

Tá na Treoirlínte a úsáideann an Painéal ar Fhianaise Carachtair nuair a bhíonn breithmheastóireachtaí ar chiontuithe agus ar imchúisimh ar feitheamh á ndéanamh, foilsithe ar www.oide.ie

1.1.6. Athnuachan Clárúcháin

Caithfidh múinteoirí cláraithe a gclarúchán a athnuachan go bliantúil. Do thart ar 67% de mhúinteoirí is é an dáta seo ná 28 Márta. Roimh an dáta sin, tugadh cuireadh do 47,379 mhúinteoirí a gclarúchán a athnuachan don tréimhse go dtí 28 Márta 2012.

Mar thaca leis na coir poist, cuireadh ríomhphostanna go múinteoirí ar an gClár a raibh ríomhphost tugtha acu. Cuireadh eolas faoin gclarúchán agus faoin athnuachan in Oide, nuachtlitir na Comhairle, ar láithreán gréasáin na Comhairle, i bhfoilseacháin na bpáirtithe leasmhara. Chuir an Chomhairle líne gutháin ar leith ar fáil freisin chun cuidiú leis na fiosrúcháin faoi athnuachana clárúcháin.

Is é an próiseas clárúcháin céanna a bhaineann leis an 33% eile de mhúinteoirí a dtíteann dáta a gclarúchán ag am eile i bhfeilire na bliana.

Le linn na bliana ar a ndéantar tuairisciú, ghlac 45% de mhúinteoirí an deis chun a gclarúchán a athnuachan ar líne leis an áis Rochtaín Múinteora Cláraithe. Is bealach íocaíochta cost-éifeachtúil é a laghadaíonn go suntasach méid an doiciméadacháin cruachóipe a bhíonn á phróiseáil ag an gComhairle Mhúinteoreachta mar aon le na héifeachtaí riarracháin a leanann.

1.1.7. Táille Athnuachana Clárúcháin

Rinne an Chomhaire athbhreithniú le linn na bliana tuairiscithe ar an táille clárúcháin €90, a raibh faomhadh tugtha do ag an Aire Oideachais agus Scileanna i 2007, agus socraíodh gan aon athrú a dhéanamh air seo faoi láthair. Cuireann an táille bunús faoi stádas na Comhairle mar chomhlacht rialaithe féin-mhaoinithe. Is féidir liúntas cánach mar chostas oibre a éileamh i gcoinne na táille agus déantar é seo a chur leis an mbunráta costais a cheadaítear. Ciallaíonn sé seo gur cosúla an táille i bhfíorthéarmaí le €53 in aghaidh na bliana dóibh siúd a mbíonn an ráta ard cánach á dhíol acu.

Tá an táille bunaithe ar na leibhéal meastúchán caiteachais, agus socraítear é lena dheimhniú go mbíonn na hacmhainní is gá ag an gComhairle chun a feidhmeanna reachtúla a chomhlíonadh. I ngeall ar an mhoill atá le túis a chur le roinnt feidhmeanna de chuid na Comhairle, agus dá réir na speansais a bhaineann lena leithéid a bheith curtha siar, tá barrachas ag an gComhairle. Nuair a bhíonn feidhmeanna breise á nglacadh ag an gComhairle méadóidh a costas go mór agus í ag tabhairt faoi théarmaí tagartha reachtúla a chomhlíonadh. Bainfear úsáid as an mbarrachas reatha chun plé leis na costais oibríochtúla breise ach an táille á choimeád ag an leibhéal ag a bhfuil sé faoi láthair.

1.1.8. Eolas a Rochtaí ar an gClár

Tá an t-eolas ar an gclár ar fáil do thrí chomhghrúpa – an pobal, múinteoirí agus na húdaráis párolla (i.e., an Roinn Oideachais agus Scileanna agus an 33 CGO). Tá an creat a úsáidtear chun éascaíocht a dhéanamh ar rochtain an Chláir ar fáil i Rialacháin [Clárúchán] na Comhairle Múinteoreachta 2009.

Is féidir la ball den phobal úsáid a bhaint as an saoráid ‘Cuardaigh an Clár’ ar www.oide.ie chun a fháil amach an bhfuil duine cláraithe leis an gComhairle Mhúinteoiriachta. Baineadh úsáid as an áiséiteacht 452 uaire ar an meán le linn na bliana tuairiscithe.

Ceadaíonn an áiséiteacht Rochtain do Mhúinteoirí Cláraithe breathnú ar gach eolas a bhaineann leo ar an gClár agus iarratas a dhéanamh don uasdhátú ar a sonraí pearsanta nó fostaochta. Le linn na bliana tuairiscithe rinneadh 6,730 uasdhátú nó leasú ar an gClár mar thoradh ar iarratais ar líne ó mhúinteoirí.

1.2. Caighdeán don Iompar agus don Chleachtas Gairmiúil a Chothabháil

Tá ardchaighdeáin ghairmiúla mar shaintréith ag gairm na múaiteoiriachta agus tá ról tábhachtach ag an gComhairle Mhúinteoiriachta lena dheimhniú go seastar leis na caighdeáin. Déantar an ról a chur i gcrích trí Chóid lompair Ghairmiúil do Mhúinteoirí a fhoilsíú agus a chur chun cinn ina ndéantar cur síos ar na caighdeáin chuí don ghairm i gcleachtas agus in iompar gairmiúil. Nuair a thugtar tús feidhme don alt ábhartha den Acht um Chomhairle Mhúinteoiriachta, déanfaidh an Chomhairle Mhúinteoiriachta iniúchadh ar ghearáin a déantar i gcoinne múaiteoirí cláraithe agus déanfar smachtaí a chur i bhfeidhm nuair a shíltar é bheith cuí a leithéid a dhéanamh.

1.2.1. Na Coid lompair Ghairmiúil do Mhúinteoirí

Foilsíodh na Coid lompair Ghairmiúil do Mhúinteoirí i 2007. Tá siad curtha i láthair i dtrí chuid. Déantar cur síos sa chéad chuid ar na croíluachanna atá mar bhunchloch leis an ngairm agus a bhíonn mar thréithe i ngach gnéith d'obair an mhúinteora. Sa dara cuid déantar cur síos ar na caighdeáin sa chleachtas gairmiúil a bhíonn á éileamh don ghairm. Sa trú cuid pléitear leis an iompar gairmiúil. Nuair a cuirtear na trí chodanna san áireamh léiríonn na Coid an chastacht a bhaineann leis an mhúinteoiriachta nuair a bhíonn sí á láimhseáil ag comhghleacaithe, ag mic léinn, ag tuismitheoirí, ag páirtithe leasmhara agus ag gníomhaireachtaí, mar aon leis an bpobal níos leithne, i gcompháirt le chéile.

I gcaitheamh na bliana, chríochnaigh an Chomhairle aischothú ar na Coid, tar éis próiseas ar cuireadh tús leis i 2009. Foilsíodh Cód athbhreithnithe ina dhiaidh sin don chomhairliúchán sa bhfómhar 2011.

1.2.2. Iniúchadh ar Ghearáin

Beidh an t-iniúchadh ar ghearáin a bhaineann le hoiriúnacht don teagasc ag múaiteoirí cláraithe mar cheann de phríomhfheidhmeanna na Comhairle Múinteoiriachta. Má déantar gearán faoi mhúinteoir cláraithe, beidh an t-údarás ag an gComhairle an gearán a iniúchadh agus cinneadh a dhéanamh ar chóir plé leis trína nósanna imeachta don araónacht. Más cuí beidh an Chomhairle ábalta smachtbhannaí a chur i bhfeidhm i gcoinne an mhúinteora a bhíonn i gceist.

Tá raon smachtbhannaí a d'fhéadfadh Coiste Araónacha na Comhairle a chur i bhfeidhm ó choinníollacha ar chlárúchán an mhúinteora go dtí é/í a chur ar fionraí nó a bhaint de Chlár na Múinteoirí. Séard a bheadh i gceist leis an gceann deireanach nó go ndéanfaí ceadúnas an mhúinteora don teagasc a bhaint. Is ionann a leithéid agus an ról a bhíonn ag comhlachtaí gairmiúla eile maidir le caighdeáin a rialú.

Níl túis curtha ag an Aire Oideachais agus Scileanna le feidhmeanna imscrúdaithe agus araónacha na Comhairle, mar atá thuas. Tuigeann an Chomhairle go bhfuil sé i gceist ag an Aire túis a chur leis na feidhmeanna seo ag an am céanna le túis feidhme Ailt 30 den Acht um Chomhairle Mhúinteoirreachta. Sula gcuirtear túis leis sin, tá an Chomhairle gníomhach cheana féin san ullmhú dá ról sa ghnó seo.

I rith na bliana, d'fhreastail baill de na Coistí lmscrúdaithe agus Araónacha ar raon éisteachtaí ar an Oiriúnacht don Chleachtas a bhí ag comhlachtaí gairmiúla eile. Ta uasdhátú breise déanta ag na Coistí ar na dréacht Rialacha do Nósanna Imeachta na bPainéal Araónacha agus ar dhoiciméadachán eile maidir le nósanna imeachta. Táthar ag leanúint leis an dréachtadh ar raon ábhar treorach do bhaill an phobail agus do mhúinteoirí cláraithe, a fhoilseofar a luaithe agus a mbíonn túis feidhme tugtha do na forálacha ábhartha.

2. Caighdeáin agus Inniúlachtaí Múinteoiriachta mar aon le Cailíochtaí an Teagaisc agus na Foghlama sa Stát a Chothabháil agus a Fheabhsú

Is croí luach é an barrchleachtas sa mhúinteoiriachta a threoraíonn an Chomhairle ina cuid oibre agus a cuirtear chun cinn trí na Coid lompair Ghairmiúil do Mhúinteoirí agus trí ról na Comhairle in oideachas múinteoirí.

2.1. Oideachas Múinteoirí

Bronnann an tAcht um Chomhairle Mhúinteoiriachta, 2001 cumhactaí suntasacha ar an gComhairle chun oideachas múinteoirí a mhúnlú agus a phorbairt ag gach céim i ngairm an mhúinteora.

I mí na Nollag 2010, d'fhoilsigh an Chomhairle don chomhairliúchán a dréacht *Polasaí don Leanúntas in Oideachas Múinteoirí*, ag leagan amach a fíos d'oideachas múinteoirí ag gach céim de ghairm na múinteoiriachta, ón oideachas tosaigh múinteora go hionduchtú agus go dtí an phorbairt ghairmiúil leanúnach. Bhí ardleibhéal rannpháirtíochta mar fhreagairt ar an dréacht agus glacadh le níos mó ná 200 aighneacht. Ag deireadh na bliana ar a ndéantar tuairisciú, bhí an Chomhairle ag plé leis an aischothú uile a fuarathas. Foilsíodh an polasaí páipéar deiridh ina dhiaidh sin i mí an Mheithimh 2011 agus tá fáil air ar www.oide.ie

2.1.1. Oideachas Tosaigh Múinteoirí

2.1.1.1. Caighdeán Iontrála

Tá ról reachtúil ag an gComhairle Mhúinteoiriachta maidir le hathbhreithniú a dhéanamh ar na caighdeáin is gá don iontráil chuig gairm na múinteoiriachta, ar a n-áirítear na caighdeáin eolais, scile agus inniúlachta is gá do chleachtas na múinteoiriachta.

Leagtar amach na riachtanais iontrála do mhúinteoirí ar mian leo a bheith cláraithe i Rialacháin [Clárúchán] na Comhairle Múinteoiriachta, 2009. Tugann na Rialacháin aonfoirmeacht bhereise do na riachtanais iontrála chuig gairm na múinteoiriachta ag leibhéal an bhunoideachais, an iar-bhunoideachais agus an bhereisoideachais.

2.1.1.2. Iontráil chuig Earnáil an Bhreisoideachais

Leagadh amach i Rialacháin [Clárúchán] na Comhairle Múinteoiriachta, 2009, go mbeadh, ó 1 Aibreán 2013, ar iarrathóirí ar mian leo a bheith cláraithe faoi Rialachán 5 (Breisoideachas) cailíocht oideachais aitheanta a bheith acu don mhúinteoiriachta. Thosaigh próiseas comhairliúcháin i mí lúil 2008 chun na riachtanais dá leithéid de chláir oideachas múinteora a phorbairt, agus mar thoradh air foilsíodh i mí Mártá 2011 *Riachtanais Ginearálta agus Clár don Chreidiúnú ar Cháilíochtaí Oideachas Múinteora [Breisoideachas]*.

Déanann an doiciméad rianadh ar na riachtanais is gá do sholathróirí clár a shásamh más mian leo go meadh creidiúnú ag a gcláir ón gComhairle. Go hachomair, caithfidh cláir a bheith ag Leibhéal 8 ar an gCreat Náisiúnta Cáilíochtaí, agus íosmhéid de 60 creidiúint ECTS a bheith acu. Tá íoscheanglais leagtha síos i réimsí na gcroíluachanna, prionsabail agus aidhmeanna, struchtúr agus ábhair, bunús teoiriciúil, staidéir ghairmiúla agus clár don chleachtadh praiticiúil. Leagtar síos freisin saintorthaí foghlama i réimsí cumarsáide agus caidreamh, teagasc, foghlaim agus measúnú, eolas ar ábhar agus curaclam mar aon le grúpbhainistíocht agus eagrúchán.

Táthar ag síul go mbeidh athbhreithniú agus creidiúnú á dhéanamh ag an gComhairle ar cháilíochtaí nua d'earnáil an bhreisoideachais ag deireadh 2011..

2.1.1.3. Athbhreithniú agus Creidiúnú

Tugann an t-athbhreithniú agus an creidiúnú ar chláir oideachas tosaigh múinteoirí deis d'Institiúidí Ardoideachais a léiriú go bhfuil a gclár oriúnach chun mic léinn a ullmhú don iontráil chuit gairm na múinteoireachta, i.e. go bhfuil siad deartha agus curtha i láthair ar bhealach a thugann deis do mhic léinn eolas, scileanna agus inniúlachtaí mar aon leis na dearcaidh agus na meoin ghairmiúla a bhaineann go lárnach le cleachtas na múinteoireachta, a fhorbairt.

Sa bhliain tuairiscithe, críochnaíodh an t-athbhreithniú ar cheithre chlár agus foilsíodh na tuarascálacha ábhartha ón bPainéal Athbhreithnithe ar ghréasán na Comhairle. Ba iad na ceithre chlár ná:

- Dioplóma larchéime san Oideachas, Ollscoil na hÉireann, Baile Átha Cliath;
- Dioplóma larchéime san Oideachas, Coláiste Phádraig, Droim Conrach;
- Baitsiléar Eolaíochta (Oideachas) i bhFisic agus i gCeimic, Ollscoil Luimní;

Cuireadh tú leis na hathbhreithnithe ar cheithre chlár eile i 2010 agus bhí siad seo fós idir láhma ag deireadh na bliana ar a ndéantar tuairisciú. Bhain siad sin le:

Cruthóidh sé seo mórdheiseanna d'athchoincheapú na gclár. Sa chomhthéacs sin, i mí na Nollag 2010 bhunaigh an Chomhairle grúpa comhairleach chun critéir agus treoirlínte a fhorbairt do sholáthróirí a mbíonn cláir oideachas tosaigh múinteoirí á ofráil acu. Chuir an grúpa comhairleach a haighneacht faoi bhráid na Comhairle i mí an Mheithimh 2011 agus rinneadh na critéir agus na treoirlínte a dháileadh ina dhiaidh sin ar na hInstitiúid Ardoideachais uile. Cuideoidh na critéir agus na treoirlínte seo le hInstitiúid Ardoideachais athchoincheapú a dhéanamh ar a gclár agus a dheimhniú go sásáíonn siad riachtanais na Comhairle don chreidiúnú gairmiúil. De réir a téarmaí tagartha maidir le comhairle a chur ar an Aire Oideachais agus Scileanna faoi chritéir iontrála, tá moltaí sa doiciméad d'athruithe sna riachtanais iontrála ar chláir oideachais do bhunmhúinteoirí. Thosaigh phróiseas clárúcháin ar na moltaí seo sa bhfómhar 2011.

4.5.2. Airgeadas

Díríonn rannóg an Airgeadais a lán dá cuid oibre ar bhainistíocht na dtáillí athnuachana clárúcháin. Buaicthréimhse don athnuachan clárúcháin gach bliain a bhíonn sa tréimhse ó Eanáir go Mártá. Le linn an ama seo i 2011, tugadh cuireadh do 48,970 mhúinteoir cláraithe (thart ar 69% de na mhúinteoirí ar an gclár) a gclárúchán a athnuachan ar feadh bliana eile. Chun an t-airgead a bhí ag teacht isteach don chlárúchán a bhainistiú agus chun cur leis na héifeachtúlachtaí, rinneadh mionleasuithe ar phróisis airgeadais na Comhairle agus na cleachtais airgeadais, an t-athnuachan ar líne san áireamh. Eascraíonn an barrachas ón mhoill a cuireadh ar roinnt de na feidhmeanna san Acht um Chomhairle Mhúinteoiríreachta, 2001 a thosú, agus an caiteachas a leanann a bheith curtha siar. Bainfear úsáid as an mbarrachas reatha chun plé leis na costais oibríochtaúla breise agus an táille á choimeád ag an leibhéal ag a bhfuil sé faoi láthair. Ina theannta sin, tá roinnt den bharrachas ioncaim coinnithe chun na speansais ar fhiachais dhlithiúla a d'fhéadfadh teacht chun cinn a ghlanadh.

Nuair a shíltéar é a bheith cuí a leithéid a dhéanamh, cuirfidh an Coiste an t-iarratas ar aghaidh chuig an gCoiste Araónachta.

Tuairisc na Comhairle don bhliain dár críoch 31 Nollaig 2010

Cuireann an Chomhairle a tuairisc i láthair mar aon le ráitis airgeadais don bhliain dár críoch 31 Nollaig 2010. Bunaíodh An Chomhairle Mhúinteoirachta ar bhonn reachtúil ar an 28 Márta 2006 de réir an Acharta um Chomhairle Mhúinteoirachta, 2001.

Príomhghnáth agus Athbhreithniú ar an nGníomhaíocht

Is é príomhghnó na Comhairle Múinteoirachta ná an mhúinteoiracht mar ghairm, ag leibhéal na bunscoile agus na hiar-bhunscoile a chur chun cinn, forbairt ghairmiúil mhúinteoirí a chur chun cinn, agus caighdeán a rialú i ngairm na mhúinteoirachta.

Níor tháinig aon athrú suntasach ar na gníomhaíochtaí sin i rith na bliana dár críoch 31 Nollaig 2010.

Príomhrioscaí agus Neamhchinnteachtaí

Tá an Chomhairle tar éis na rioscaí seo a leanas a mheas agus tá socruithe déanta chun na rioscaí a bhainistiú sa Chomhairle Mhúinteoirachta mar seo a leanas:

Riosca Calaoise

Déantar an riosca a mhaolú trí na dualgais a scarúint don ghabháil ar airgead agus don íocaíocht ar chreidiúnaithe. Tá nósanna imeachta agus smachtaí curtha i bhfeidhm ag an gComhairle chun a dheimhniú go ndéantar seiceáil ag gach céim ionas gur féidir cruinneas agus baillíocht na mbeart a chinntíú.

Neamh-thosú ar eilimintí den Acht um Chomhairle Mhúinteoirachta 2001

Níl túis feidhme tugtha go fóill do roinnt eilimintí den Acht um Chomhairle Mhúinteoirachta 2001, rud a chuireann srian ar scóp na Comhairle. Níl túis feidhme, ach go háirithe, ag Alt 30 (Clárú Éigeantach), Cuid V (Oiriúntacht don Teagasc), Alt 39 (Forbairt Ghairmiúil Leanúnach) agus Alt 7.2 {f} agus {g} (londuchtú agus Promhadh). Tá sé tugtha le fios ag an Aire Oideachais agus Scileanna go dtosóidh na feidhmeanna a bhaineann le londuchtú agus Promhadh i mí Mheán Fómhair 2012. Tá an Chomhairle i dteagháil leis an Aire agus leis an Roinn Oideachais agus Scileanna chun túis feidhme Ailt 30 a chur chun cinn.

Torthaí

Is é an barrachas a bhí ann don bhliain tar éis dímheas agus cánachas ná €3,244,564 (2009: €3,054,195). Eascaíonn an barrachas i ngeall ar gan túis a bheith curtha le roinnt d'fheidhmeanna na Comhairle agus an caiteachas a bheith, da réir, curtha ar athló. A luaithe agus a thosaíonn na feidhmeanna breise seo, tiocfaidh méadú suntasach ar chaiteachas bliana na Comhairle. Bainfear úsáid as an mbarrachas reatha do na costais oibríochta breise seo agus an tálle á choimeád mar atá faoi láthair.

Forbairtí sa Todhcháí

Tá sé i gceist ag an gComhairle leanúint ar aghaidh lena cuid gníomhaíochtaí reatha. Tá sé tugtha le fios ag an Aire Oideachais agus Scileanna go dtosóidh feidhmeanna na Comhairle don Phromhadh agus don londuchtú i mí Meán Fómhair 2012. Tá an próiseas reachtúil i dtreo thús feidhme Ailt 30 den Acht um Chomhairle Mhúinteoirachta 2001 (Clárúchán Éigeantach) idir lámha.

Leabhair Chuntais

Tá sé dlíte faoi Roinn 18 den Acht um Chomhairle Mhúinteoirachta, 2001, go bhfuil an Chomhairle freagrach as leabhair chuntais chearta a choimeád a léiríonn go sách cruinn ag am ar bith conas mar atá cuntais airgeadais na heagraíochta. Tá an Chomhairle freagrach freisin as sócmhainní na heagraíochta a chosaint agus dá réir sin as na céimeanna cuí a ghlacadh chun calaoisí nó mírialtachtaí eile a sheachaint. Coimeádtar leabhair chuntais na Comhairle Múinteoirachta ag Campas Gnó Mhaigh Nuad, Maigh Nuad, Co Chill Dara.

Iniúchóirí

Tá sé curtha in iúl ag na hIniúchóirí, Anne Brady McQuillans DFK, go bhfuil siad sásta leanúint ar aghaidh in oifig.

Imeachtaí i ndiaidh dáta an Chláir Chomhardaithe

Ní raibh aon chúinsí ná imeachtaí i ndiaidh dheireadh na bliana a éilíonn ceartú nó nochtadh sna ráitis chuntais, nó sna notaí a ghabhann leo.

Ráiteas i leith Freagrachtaí na Comhairle do na Ráitis Airgeadais

Tá an Chomhairle freagrach as an Tuairisc Bhliantúil agus as na Ráitis Airgeadais a ullmhú mar atá dlite agus cuí de réir dlí na hÉireann, ar a n-áirítear Alt 18 den Acht um Chomhairle Mhúinteoirreachta, 2001, agus de réir Ghnáthchleachtas Chuntasaíochta in Éirinn, ar n-áirítear na caighdeáin chuntasaíochta a eisíonn Bord na gCaighdeán Cuntasaíochta agus mar atá foilsithe ag Institiúid na gCuntasóirí Cairte in Éirinn.

Éilíonn dlí na hÉireann ar a áirítear Alt 18[2] den Acht um Chomhairle Mhúinteoirreachta, 2001, go n-ullmhódh an Chomhairle ráitis airgeadais do gach bliain airgeadais agus go ndéanfaí cur síos cothrom agus fíor iontu ar ghnóthaí na heagraíochta don tréimhse sin.

Tá sé mar dhualgas ar an gComhairle agus na ráitis airgeadais á n-ullmhú acu go ndéanfaí:

- polasaithe cuí cuntasaíochta a roghnú agus iad a chur i bhfeidhm go seasta ansin
- breithiúnais agus meastacháin atá réasúnta agus stuama a dhéanamh
- cuntas airgeadais a ullmhú mar ghnóthas leantach ach amháin dá mbeadh sé míchuí a cheapadh go leanfadh an eagraíocht leis an ngnó.

Dearbhaíonn an Chomhairle gur chloígh siad leis na riachtanais thusluaithe nuair a bhí na ráitis airgeadais á n-ullmhú.

Tá freagracht ar an gComhairle leabhair chearta chuntasaíochta a choimeád a léiríonn go sách cruinn ag am ar bith staid airgeadais na heagraíochta agus a chuireann ar a cumas a dheimhniú go ndéantar na ráitis airgeadais a ullmhú de réir na gcleachtas cuntasaíochta a nglactar leo go coitianta in Éirinn agus de réir dlí reachtúil na hÉireann ar a n-áirítear Alt 18 den Acht um Chomhairle Mhúinteoirreachta, 2001.

Tá an Chomhairle freagrach freisin as sócmhainní na heagraíochta a chosaint agus dá réir sin as na céimeanna is gó a ghlacadh chun calaoisí nó mírialtachtaí eile a sheachaint.

Tá an Chomhairle freagrach as cothabháil agus sláine an ghréasáin idirlín. D'fhéadfadh go mbeadh reachtaíocht na hÉireann maidir le dáileadh ráiteas airgeadais éagsúil ón reachtaíocht i ndlínsí eile.

Ráiteas ar Rialú Inmheánach Airgeadais

Thar ceann na Comhairle aithním an fhreagracht atá orainn lena dheimhniú go ndéantar córas éifeachtach don rialú inmheánach airgeadais a chothabháil agus a chur i bhfeidhm.

Ní féidir leis an gcóras ach soláthar réasúnta gan a bheith absalóideach a thabhairt go bhfuil na sóchmhainní slán, go bhfuil na bearta údaraithe agus taifeadtha i gceart, agus go ndéantar botúin nó mírialtachtaí a sheachaint nó a aimsiú go tráthúil .

Tá na nósanna imeachta seo a leanas curtha i bhfeidhm ag an gComhairle agus tá sé mar fheidhm acu rialú inmheánach airgeadais a sholáthar:

- a) déantar timpeallacht rialaithe chuí a dheimhniú trí chúramaí bainistíochta a bhíonn rianaithe go soiléir mar aon le nósanna imeachta chun teipeanna rialaithe a aithint agus plé leo
- b) déantar próiseas foirméálta rioscaí gnó eagraíochtúla a aithint agus a mheas
- c) déantar córas cuimsitheach pleanála agus buiséid a fheidhmiú agus déantar pátrún caiteachais a athbhreithniú go míosúil
- d) áirítear mar chuid de na nósanna imeachta chun plé le himpleachtaí airgeadais do mhór rioscaí gnó treoracha airgeadais agus nótaí do nósanna imeachta, nósanna imeachta don tarmligean ar nós teorainneacha údaraithe ag an gComhairle agus dualgais a dheighilt idir an próiseáil agus an faomhadh ar íocaíochtaí
- e) nósanna imeachta don mhonatóireacht ar éifeachtacht an rialaithe inmheánaithe airgeadais ar a n-áirítear feidhm iniúchaidh inmheánaidh a fheidhmíonn de réir an Chóid Cleachtais don Rialachas ag Comhlachtaí Stáit agus agus tuairiscíonn don Choiste Iniúchóireachta.

Bónn córas monatóireachta agus athbhreithniú na Comhairle faoi thionchar an eolais ón obair a dhéanann coiste bainistíochta na Comhairle Múinteoirreachta a bhfuil freagracht orthu don chóras bainistíochta airgeadais a phorbairt agus a chothabháil, obair na n-iniúchóirí inmheánacha agus an Coiste Iniúchóireachta mar aon le nithe a bhíonn le rá ag na hiniúchóirí seachtracha sa litir bhainistíochta agus sna tuairisci a thagann uathu.

Rinneadh athbhreithniú foirmiúil ar na rialaithe inmheánacha airgeadais i 2010.

Tuairisc Neamhspleáach na nIniúchóirí chuig Baill na Comhairle Múinteoirreachta

Tá iniúchóireacht déanta againn ar ráitis airgeadais na Comhairle Múinteoirreachta don bhliain dar críoch 31 Nollaig 2010 ina bhfuil Cuntas loncaim agus Caiteachais, Clár Comhordaithe, Ráiteas Sreabhadh Airgid agus na nótaí a bhaineann leo. Tá na ráitis airgeadais seo ullmhaithe de réir nósmaireachta costais stairiúil agus na polasaithe cúnntasaíochta a bhaineann leo.

Tá an tuairisc seo curtha ar fáil do bhaill na Comhairle, mar chomhlacht, de réir mar a éilíonn Alt 18 den Acht um Chomhairle Mhúinteoirreachta, 2001. Rinneadh ár gcuid oibre iniúchóireachta ionas gur féidir linn a chur faoi bhráid bhaill na Comhairle na gnótháin sin gur gá dúinn a rá leo i dtuairisc iniúchóra agus ní ar mhaith le haon ghnó eile. Chomh fada agus is féidir mar a cheadaíonn an dlí, ní ghlacaimid ná ní thógaimid orainn aon fhreagracht d'aon duine seachas an eagraíocht agus baill na Comhairle mar chomhlacht, don obair iniúchóireachta atá déanta againn, don tuairisc seo, ná don tuairim atá ag teacht uainn.

Freagrachtaí ar leithigh na Comhairle agus na nIniúchóirí

Tá freagrachtaí na Comhairle maidir le tuairisc agus ráitis airgeadais á gcur ar fáil de réir dlí na hÉireann ar a n-áirítear Alt 18 den Acht um Chomhairle Mhúinteoirreachta, 2001, agus de réir na gcaighdeán cuntasaíochta atá eisithe ag Bord na gCaighdeán Cuntasaíochta Airgeadais agus atá foilsithe ag Institiúid na gCuntasóirí Cairte in Éirinn (Gnáthchleachtas Cuntasaíochta in Éirinn) leagtha síos sa Ráiteas ar Dhualgas na Comhairle.

Is é an dualgas atá orainne ná iniúchadh a dhéanamh ar na ráitis airgeadais de réir mar a éilíonn ceanglas dlíthiúil agus rialála na gCaighdeán Idirnáisiúnta ar Iniúchadh (an Bhreatain agus Éire).

Dearbhaímid daoibh gurb é ár dtuairim go dtugann na ráitis airgeadais dearcadh fíor agus cothrom de réir Gnáthchleachtas Chuntasaíochta in Éirinn agus gur ullmhaíodh iad de réir riachtanas dlí na hÉireann ar a n-áirítear Alt 18 den Acht um Chomhairle Mhúinteoirreachta, 2001. Dearbhaímid daoibh freisin gurb é ár dtuairim gur choimeád an eagraíocht leabhair chuí, chuntas, agus go raibh an t-eolas a tugadh i dTuairisc na Comhairle ag teacht leis na ráitis airgeadais. Chomh maith leis sin léirímid, má tá an t-eolas uile faigte againn agus na míniúcháin is gá dar linn don iniúchadh a rinneamar, agus pé acu atá na leabhair ag réiteach leis na leabhair chuntais.

Déanaimid athbhreithniú lena fheiceáil an dtagann an Ráiteas ar Smachtaí Inmheánacha Airgeadais le comhlíonadh na Comhairle leis an gCód Cleachtais don Rialachas ag Comhlachtaí Stáit agus déanaimid tuairisciú ar aon uair nuair nach dtarlaíonn a leithéid, nó má tá míthuiscint le baint as an ráiteas ní é gan a bheith de réir eolais eile atá againn ón ár n-iniúchadh ar na ráitis airgeadais. Ní gá dúinn breathnú an gclúdaíonn an Ráiteas ar Smachtaí Inmheánacha Airgeadais na rioscaí agus smachtaí airgeadais uile, ná tuairim a chruthú ar éifeachtacht na nósanna imeachta riosca agus smachta.

Tá tuairisc na Comhairle léite againn agus táimid san airdeall faoi na himpleachtaí má chuirtear ar na súile dúinn go bhfuil aon mhíchruinneas suntasach inti.

Bunús Dhearcadh an Iniúchta

Rinneamar ár n-iniúchadh de réir na gCaighdeán Idirnáisiúnta ar Iniúchadh (an Bhreatain agus Éire) atá eisithe ag an mBord um Chleachtas Iniúchta. Mar chuid den iniúchadh bíonn scrúdú, ar bhonn trialach, ar fhianaise a bhíonn bainteach leis na méideanna agus an nochtadh a tugadh sna ráitis airgeadais. Áirítear freisin measúnú ar na meastacháin agus ar na breithiúnais shuntasacha a rinne an Chomhairle agus na ráitis airgeadais á n-ullmhú acu, agus féachaint an bhfuil na polasaithe cuntasaíochta oiriúnach do chuínsí na heagraíochta, mar aon le hiad a bheith curtha i gcrích go seasta agus dóthain léirithe tugtha orthu.

Rinneamar pleánail agus cur i gcrích ar ár n-iniúchadh ar bhealach go bhfuaireamar an t-eolas agus na míniúcháin a shíleamar a bhí riachtanach ionas go mbeadh dóthain fianaise againn le bheith muiníneach go leor go raibh na ráitis airgeadais saor ó ráitis mhíchruinn ábhartha, pé acu go calaoiseach, trí mhírialtacht nó trí bhotún. Rinneamar meastóireacht freisin, agus ár dtuairim á cur le chéile againn, ar shástacht iomlán leibhéal an eolais a cuireadh ar fáil sna ráitis airgeadais.

Tuairim

Is é ár dtuairim go dtugann na ráitis airgeadais:

- dearcadh fíor agus cothrom, de réir Gnáthchleachtais Chuntasaíochta in Éirinn, ar staid ghnóthaí na Comhairle ar an 31 Nollaig 2010 agus ar a cuid torthaí don bhliain dar críoch an lá sin; agus

- gur ullmhaíodh i gceart iad de réir riachtanas dlí na hÉireann agus Alt 18 den Alt um Chomhairle Mhúinteoirachta, 2001 san áireamh.

Tá an t-eolas go léir agus na míniúcháin go léir againn a shílimid a bheith riachtanach do ghnóthaí an iniúchta. Is é ár dtuairim gur choimeád an eagraíocht leabhair chearta, chuntais. Tá na ráitis airgeadais ag réiteach leis na leabhair chuntais.

Is é ár dtuairim go bhfuil an t-eolas i dtuairisc na Comhairle ag teacht leis na ráitis airgeadais.

Nótaí faoi na Ráitis Airgeadais don bhliain dár críoch 31 Nollaig 2010

1. Polasaithe Cuntasáiochta

1.1. Coinbhinsiún Cuntasáiochta

Tá na ráitis airgeadais ullmhaithe ar bhonn an ghnóthais leantaigh agus de réir gnáth-phrionsabail na cuntasáiochta inghlactha leo in Éirinn agus de réir dlí na hÉireann. Caighdeán chuntasáiochta a bhfuil glactha leo go ginearálta in Éirinn agus ráitis airgeadais á n-ullmhú, ag tabhairt dearcadh fíor agus cothrom faoi mar atá fógartha ag Institiúid na gCuntasóirí Cairte in Éirinn, agus eisithe ag Bord na gCaighdeán Cuntasáiochta Airgeadais.

1.2. Ioncam

Is ionann ioncam agus an t-airgead a fuarthas ó tháillí clárúcháin agus measúnaithe a fuarthas le linn na bliana. Déantar an t-ioncam/na táillí uile a fuarthas a chuntas ar bhonn admhálacha.

1.3. Sócmhainní Seasta Inláimhsithe agus Dímheas

Déantar ráiteas faoi shócmhainní seasta inláimhsithe faoi choinbhinsiún an chostais stairiúil lúide dímheas carntha. Déantar dímheas ar na sócmhainní seasta inláimhsithe uile a sholáthar, ag rátaí a dhéanann an costas a chealú lúide luach iarmharach gach sócmhainn ar an bhfad saoil úsáideach a mbeifí ag súil leis, mar seo a leanas:

Daingneán agus Feistithe	- 10% líne dhíreach
Trealamh Ríomhaireachta	- 33.33% líne dhíreach
Bogearraí Ríomhaireachta	- 20% líne dhíreach

Déantar dímheas leantach ar na sócmhainní seasta inláimhsithe a athbhreithniú go bliantúil féachaint an bhfuil aon lagú i dtréimhsí dá léireodh tarlaithe nó athraithe i gcúinsí nach bhfuil aon teacht aniar sa luacháil iasachta.

1.4. Infheistíochtaí

Déantar ráiteas faoi infheistíochtaí na mbunsócmhainní mar atá lúide soláthar do chailteanas ina luach. Tugtar aitheantas sa chuntas caiteachais d'ioncam ó infheistíochtaí bunsócmhainní mar aon le cáin shiarchoinneálach sa bhliain inar gnóthaíodh é.

Nótaí faoi na Ráitis Airgeadais don bhliain dár críoch 31 Nollaig 2010

1.5. Pinsin

Tá scéim phinsin le sochar sainithe i bhfeidhm ag an gComhairle dá cuid fostaithe. Tá an scéim bunaithe ar Shamhail na Seirbhís Poiblí agus tá sé faofa ag an Aire Oideachais agus Eolaíochta agus an Aire Airgeadais. Íocatar na sochair phinsin iníoctha faoin scéim as an Státhiste.

Mar aon leis seo, tá sainchomharthaí faoi leith ag socruithe na Comhairle:

- íocann an Chomhairle ranníocaíocht socraithe don Roinn Oideachais agus Scileanna.
- is ionann an ranníocaíocht agus cuid an fhostaí mar aon le cuid an fhóstóra. De réir pholasaí an rialtais faoi phinsin san earnáil phoiblí íocann an fostóir 25% den phá comhlán ar son na bhfostaithe atá ag íoc ÁSPC ag ráta A agus 30% den phá comhlán d'fhostaithe atá ag íoc ÁSPC ag ráta D.
- tá gealltanás dearfa ón Roinn Oideachais agus Eolaíochta mar aon leis an Roinn Airgeadais go n-focfaidh an Státhiste costas na sochar nuair a bheidh siad iníoctha.

Is é tuairim na Comhairle gurb ionann na socruithe pinsin thusa ó thaobh airgid de, mar a fheictear don Chomhairle é, agus scéim phinsin le ranníocaíocht shainithe. Tá an Comhairle den tuairim nach bhfuil na forálacha sa scéim FRS 17, Cuntasáiocht do Shochair Scoir, a eascraíonn de bharr scéim le sochar sainithe, feiliúnach dá cuid cúinsi. Dá réir sin mínítear an ranníocaíocht amhail is dá mba scéim le ranníocaíocht sainithe í.

1.6. Cáim

Bunaítear an costas bliantúil cánach ar ioncam éighníomhach na bliana agus ríomhtar é ag tagairt don ráta cánach a dhlikear ar an dáta atá ar an gclár comhardaithe.

1.7. Cúlchistí Ainmnithe

Tá rún diongháilte ag an gComhairle gur féidir leo suimeanna airgid gan teorainn a chur ar leataobh i gcomhair cúiseanna ainmnithe sa todhchaí, mar is rogha leo. Nuair nach bhfuil gá leis na suimeanna sin don chúis a bhí i gceist, scaoilfear iad ar ais sa Chúlchiste Ginearálta.

2. Ioncam

Tá ioncam na heagraíochta don bhliain faichte ón bpriomhghníomhaíocht acu, a dtugtar fúithi go hiomlán in Éirinn.

13. Dliteanais Theagmhásacha

Tá caingean dlí ar feitheamh i gcoinne na Comhairle Múinteoiriachta i leith stádas chláraithe múinteora. Tá an Chomhairle Múinteoiriachta ag troid an cháis go huile is go hiomlán. Tar éis comhairle dhlíthiúil a fháil creideann an Chomhairle go mbeidh an bua ag an gComhairle Mhúinteoiriachta sa chás ina coinne. Mar gheall ar go bhfuil an cás ar siúl go fóill ní fios céin toradh a bheidh ann agus níl aon sholáthar déanta i gcomhair na gcostas atá ceangailte leis an gcás.

14. Gnóthaí Chomhghaolmhara

Ba chóir do na baill, ar múinteoirí iad, a gcuid clárúchán a athnuachan gach bliain. Déantar na gnóthaí seo go léir ar bhonn fad láimhe agus tá siad curtha le chéile sna ráitis airgeadais seo.
