

Physical Education PE1 Form (Overseas Qualified Teachers)

This PE1 Form allows you to match your degree (and other qualifications if applicable) against the Teaching Council's curricular teaching subject requirements for PE. You must meet the requirements for at least one curricular subject in order to be eligible for registration under Route 2 (Post Primary). Please note the information on this form must correspond with your transcripts of results, which should also be submitted with your application.

This declaration form should be printed and signed by persons applying for assessment for PE. It must also be signed and stamped by the relevant college/university. The requirements for the curricular subject Physical Education are set out on page 2.

Please also submit evidence of all teaching experience in PE to date. You may include the duration, location, age-range and level of qualified teaching practice etc.

Physical Education

In order to meet the registration requirements set down in the Teaching Council [Registration] Regulations in respect of the curricular subject of Physical Education, an applicant must meet all of the following criteria:

- 1.**
 - (a) Applicants must hold a degree-level qualification, with Physical Education studied up to and including third-year level or higher (or modular equivalent).
 - (b) The qualifying degree must be equivalent to at least Level 8 on the National Framework of Qualifications (NFQ) and with a minimum pass result in all examinations pertinent to the subject of Physical Education.
 - (c) The qualifying degree must carry at least 180 ECTS (European Credit Transfer System) credits (or equivalent) with the specific study of Physical Education comprising at least 90 ECTS credits (or equivalent) and with not less than 10 ECTS credits (or equivalent) studied at third-year level or higher (or modular equivalent).

- 2.** The study of Physical Education during the degree must show that the holder has acquired sufficient knowledge, skills and understanding to teach the Physical Education syllabus¹ to the highest level in post-primary education (see www.curriculumonline.ie).
 - (a) To meet this requirement the degree must include the study of all of the following to a minimum of 60 ECTS credits (or equivalent):**
 - i. Adventure Activities
 - ii. Aquatics
 - iii. Athletics
 - iv. Dance
 - v. Games
 - vi. Gymnastics
 - vii. Health-Related Activity.

 - (b) The degree course must also include the study of all of the following to a minimum of 30 ECTS credits (or equivalent):**
 - i. Anatomical, Physiological and Biomechanical aspects of Movement
 - ii. Factors which inhibit and promote (Personal, Biological, Psychological, Sociological, Environmental) participation in Physical Activity and Sport
 - iii. Disability and Movement
 - iv. Historical, Sociological and Philosophical aspects of Physical Education
 - v. Growth, Motor Skill Learning and Development of the Child and Adolescent
 - vi. Physical Activity/Sport Promotion and Health across the Lifespan
 - vii. Artistic and Creative Studies.

- 3.** Applicants must also have completed a programme of post-primary initial teacher education (age range 12-18 years) in which the theory, methodology and practice of teaching Physical Education forms the central aspect. This course must be equivalent to a minimum of 120 ECTS credits (or equivalent.)

¹ as approved by the Minister for Education & Skills, and published by the National Council for Curriculum and Assessment (NCCA).
