In order to apply online for registration (REG-01) with the Council under Route 1 (Primary), Route 2 (Post-primary) or Route 4 (Other), you should have completed your relevant qualification(s) in Ireland or have had your qualification(s) previously assessed by the Teaching Council or the Department of Education and Skills. To apply for registration under Route 3 (Further Education) please follow the REG-01 route regardless if you have qualified in Ireland or overseas.

Overseas qualified teachers in Primary and Post-Primary should follow the online applications for overseas qualifications.

In order to be eligible for registration under Route 1 (Primary), Route 2 (Post-primary), Route 3 (Further Education) and Route 4 (Other) of the 2016 Regulations, applicants must meet the requirements in terms of qualifications, vetting/police clearance, fit and proper person requirements and payment of the initial registration fee of €90.

5. Vetting

Registration is subject to Vetting. Only Vetting carried out via the Teaching Council can be accepted for registration. Vetting through a third party (e.g. school, GAA, club/society) cannot be accepted for registration purposes.

6. Application Processing Timeframe

Your application only commences when you have submitted all required documentation to the Council. It may not start from the date which you submit your first application. Staff will contact you if you have failed to submit particular documentation that is required.

Registration cannot be finalised until Vetting, including overseas requirements (where applicable) is completed.

Please refer to our website www.teachingcouncil.ie for processing timelines.

Applicants are requested not to seek updates on the progress of applications unless 8 weeks have elapsed since full documents were received.

7. Translation of Documentation

You must submit photocopies of all documents in English or Irish. All documents which are not in the English or Irish language must be accompanied by an English language translation. The translated documents must be officially stamped by an accredited translator, an embassy/consular official who is fluent in both languages, or by a university language(s) lecturer. You must include the name and address of the translator so that we can verify the translation.

Please note that you can also translate the documents yourself but you must have the documents verified (stamped by an official translator). In order to assist applicants and minimise the costs associated with translation, applicants can provide summary information of the modules identified on their transcripts.

Please highlight the sections of the course handbook that have been translated and attach the relevant translations.

8. ECTS Credits

European Credit Transfer and Accumulation System (ECTS) is a standard for comparing the study attainment and performance of students of higher education across the European Union and other collaborating European countries.

ECTS credits are awarded to students when they successfully complete their studies. One academic year corresponds to 60 ECTS credits. This is equivalent to 1,500-1,800 hours of study in all countries irrespective of the standard or qualification type. The ECTS credit system is used to facilitate transfer and progression.

9. Registration with Conditions (Post-qualification Professional Practice)

This section looks at teaching induction and experience in order to determine if conditions will be applied to a registration. Registration subject to conditions (conditional registration) is granted when an applicant for registration has not fulfilled all of the registration requirements set down by the Council. This is the norm for all newly qualified teachers (NQTs) and may also apply to other teachers in certain circumstances.

The post-qualification professional practice conditions which generally apply are as follows:

Route 1 - Primary	<i>Droichead</i>
Route 2 - Post-primary	<i>Droichead</i>
Route 3 - Further Education	Applicants who meet the degree qualification requirements for Route 3 - Further Education and who have not completed an accredited TEQ will be eligible for conditional registration for a period of three years in which time this requirement must be completed. A list of accredited programmes can be viewed on the Teaching Council website.
Route 4 - Other	<i>Droichead</i>

10. Student Teachers Applying for Registration

Section 30 of the Teaching Council Acts requires a teacher to be registered in order to receive a State-funded salary therefore you will need to register upon completion of your teaching qualification. The Council has developed a streamlined “fast-track” application process for final year Primary and Post-primary teacher education students to register in the summer after you have concluded your studies.

If you require registration for employment purposes while completing your qualification, you may be eligible for registration under Route 3 (Further Education). You are required to hold an undergraduate degree in order to be eligible for registration under this Route. For full details see the [Qualification Requirements for Further Education Teachers](#).

It is a requirement under the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012 to 2016 (NVB Act) that individuals who work with children and vulnerable persons be vetted by the National Vetting Bureau (NVB).

The Teaching Council is the authorised body for administering vetting for teachers in Ireland and is required to assess the vetting disclosure for suitability for registration. The school is required to receive and assess the vetting disclosure for employment purposes.

As Vetting is a mandatory requirement for registration, the Council cannot finalise an application for registration until the outcome of the vetting process is complete and a satisfactory disclosure is received.

The Council will not accept a Vetting disclosure from a third party for the purposes of registration. **Only Vetting that is carried out via the Teaching Council will be accepted for the purposes of registration.**

The relevant school authority (Board of Management or ETB as appropriate) must ensure that any proposed new appointee who may have unsupervised access to children or vulnerable adults is vetted. This should be sought only if the person is being offered a job. Schools must request prospective teachers to present the vetting Disclosure from the Teaching Council, before making a formal offer of appointment.
