This Subject Declaration Form allows you to match your degree (and other qualifications if applicable) against the Teaching Council's curricular teaching subject requirements. You must meet the requirements for at least one curricular subject in order to be considered for registration as a teacher, having completed your Professional Master of Education (PME).

A declaration form should be completed online, printed and signed by persons applying for entry to the PME.

You should complete a subject declaration form for each subject for which you are seeking Teaching Council registration.

The requirements for the curricular subject **Economics** are set out on page 2.

For details of all other curricular subjects [click here](#)

Applicants should note that declarations made on this form will be considered by the PME provider(s) when determining offers of places on the PME. **Any material errors or misleading declarations made on this form may result in the withdrawal by the PME provider of (an offer of) a place or other such action as the PME provider determines appropriate.**

If you are offered a place on the PME, and in accordance with the permission granted by you below, this declaration form will be forwarded to the Teaching Council, the professional standards body for teaching in Ireland, who will advise if you meet the requirements for registration set out in the Teaching Council registration regulations.

Based on this declaration form and your transcripts of undergraduate examination results, the Teaching Council will confirm if, following successful completion of the PME, you will be eligible to register as a teacher and which curricular subject(s) will be recorded on the Register of Teachers.
