The Teaching Council

Subject Specification Form (SSF)

Geography

**For the submission of programmes
for review and professional
accreditation by the Teaching
Council (concurrent post-primary
programmes only)**

**A Subject Specification Form must be submitted for
each post-primary curricular subject included in the
accreditation application.**

Geography

In order to meet the registration requirements set down in the Teaching Council [Registration] Regulations in respect of the curricular subject of Geography, **all** of the following criteria must be met:

- 1**
 - (a) Geography must be studied in the degree up to and including third-year level or higher (or modular equivalent).
 - (b) The qualifying degree must be equivalent to at least Level 8 on the National Framework of Qualifications (NFQ) and with a minimum pass result in all examinations pertinent to the subject of Geography.
 - (c) The qualifying degree must carry at least 180 ECTS (European Credit Transfer System) credits (or equivalent) with the specific study of Geography comprising at least 60 ECTS credits (or equivalent).

- 2** The study of Geography during the qualification must show that the holder has acquired sufficient knowledge, skills and understanding to teach the Geography syllabus/specification to the highest level in post-primary education (see www.curriculumonline.ie).

To meet this requirement the degree must include the study of the following:

- a) Physical Geography
- b) Human Geography

Geography
