

Final Report for consideration by the Review Panel in adjudicating on the award of final instalments.

To be submitted on completion of your research project

- 1. RSF Reference Number:**
- 2. Project Title:**
- 3. Have you completed your research project? Yes No**
(If you have not yet completed your research project, please disregard this form and submit a progress report instead)
- 4. Please provide a brief summary of your project to include research questions, research activities and any findings which emerged (200 words). Your summary will be considered by the review panel for possible publication on the Teaching Council's website. Where appropriate, it may be edited so as to align with the Teaching Council's corporate style.**
- 5. Has there been any significant change since your RSF application in the focus /objectives / methodology /ethics/expected outcomes, or plan for sharing findings?**

Yes No
- 6. If you answered Yes above, please provide a brief explanation below (200 words or less)**
(Please note, research funding was awarded on the basis of the research focus outlined in your research support framework application. It is important that any shift in focus be highlighted for the attention of the review panel to enable them to make an informed decision on payment of the final instalment under the framework.)
