- **Duties:** The officer will be required to perform any duties assigned from time to time as appropriate to the position.
- **Outside Employment:** The position is whole-time and the officer may not engage in private practice or be connected with any outside business, which would interfere or conflict with the performance of official duties. Clarification must be sought from line management where any doubt arises.

- **Sick Leave:** Pay during properly certified sick absence, provided there is no evidence of permanent disability for service, will apply on a pro-rata basis, in accordance with the provisions of the sick leave circulars.

(b) An individual who is on secondment will remain a member of the parent organisation's pension scheme and the pensionable remuneration will be based on his/her substantive grade i.e. the grade at which the individual is employed in his/her parent organisation;

(c) An individual who was a member of a "pre-existing public service pension scheme" as construed by the Public Service Pensions (Single Scheme and Other Provisions) Act 2012 and who does not qualify for membership of the Single Scheme will have standard public service pension terms reflecting new entrant or non-new entrant status for the purposes of the Public Service Superannuation (Miscellaneous Provisions) Act 2004.

Appointee's status for superannuation purposes

At the time of being offered an appointment, the Teaching Council, in consultation with the Department of Public Expenditure and Reform if necessary, will, in light of the appointee's previous Public Service (and/or other) employment history, determine the appropriate pension terms and conditions to apply. Appointees will be required to disclose their full public service history. Details of the appropriate superannuation provisions will be provided upon determination of appointee's status. The following points should be noted:

- **Pension Accrual**

The Public Service Pension (Single Scheme and other Provisions) Act 2012 introduced a 40-year limit on total service that can be counted towards pension where a person has been a member of more than one pre-existing public service pension scheme. This may have implications for any appointee who has acquired pension rights in a previous Public Service employment.

- **Pension Abatement**

The Public Service Pensions (Single Scheme and Other Provisions) Act 2012 extended pension abatement so that a retiree's public service pension is liable to abatement on re-entering public service employment, even where the new employment is in a different area of the public service. However, if the appointee was previously employed in the Civil Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER) or the

Health Service Executive VER/VRS which, as indicated below, render a person ineligible for the competition) the entitlement to payment of that pension will cease with effect from the date of reappointment. Special arrangements will, however, be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.

If the appointee was previously employed in the Civil Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER) , the Department of Health Circular 7/2010 VER/VRS or the Department of Environment, Community & Local Government (Circular letter LG(P) 06/2013) which, as indicated below, renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements will, however be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.

- **Department of Education and Skills Early Retirement Scheme for Teachers Circular 102/2007**

The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. It is a condition of the Early Retirement Scheme that with the exception of the situations set out in paragraphs 10.2 and 10.3 of the relevant circular, and with those exceptions only, if a teacher accepts early retirement under Strands 1, 2 or 3 of this scheme and is subsequently employed in any capacity in any area of the public sector, payment of pension to that person under the scheme will immediately cease. Pension payments will, however, be resumed on the cesser of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension payment).

- **Ill-Health Retirement**

For an individual who has retired from a Civil/Public Service body on the grounds of ill- health his/her pension from that employment may be subject to review in accordance with the rules of ill-health retirement within the pension scheme of that

employment.

- **Pension-Related Deduction**

Thereafter, the consent of the Minister for Public Expenditure and Reform will be required prior to re-employment. These conditions also apply in the case of engagement/employment on a contract for service basis (either as a contractor or as an employee of a contractor).
